INERT INGREDIENTS:

Total 59.8%

CONTAINS SODIUM NITRITE.

Quality Control No.

Quality Control No.

Makes indoor air more pleasant. Overcomes odors left from cooking, tobacco, smoke, garlic and onions, perspiration, sick rooms, fish, stale air and the like.

To be applied undiluted with hand or mechanical sprayer which will spray as a fine mist. (DeWitt-Challenger Sprayer)

CAUTION Avoid contact with food.

KEEP OUT OF THE REACH OF CHILDREN.

Avoid contact with food. Avoid breathing spray mist. Do not spray in eyes.

Do not re-use empty container. Destroy it by perforating or crushing. Bury or discard in a safe place.

FOR DEODORIZING: Spray into the air upwards and toward the center of the room.

FOR AIR SANITIZING TO REDUCE THE NUMBER OF AIR-BORNE VIRUSES: Spray several times a day, directing spray pattern upward and toward the center of the room. Keep the unoccupied room closed temporarily (5-10 minutes) to prevent drafts from removing sanitizing mist from the area.

Excellent for hospitals, locker rooms, rest rooms, meeting rooms, offices and schools.
