DEWITT INSECT REPELLENT

CAUTION: Contents under pressure. Flammable. See back panel for further caution statements. Keep out of reach of children.

Repels mosquitoes and other flying insects for hours. Effective against gnats, deer flies, sand flies, ticks, fleas, and chiggers. Non-greasy, non-staining, and perspiration resistant.

DIRECTIONS

Remove cap from can and hold unit six to eight inches from skin or clothing while spraying. Apply directly to surface of skin or clothing. To apply to face, spray on hands and rub on except near mouth and eyes. Repeat all treatments as necessary. Apply liberally to shirts, socks, tops of shoes, pants, cuffs, and around openings in outer clothing to repel ticks and chiggers. Harmless to nylon, cotton, and wool. Do not use on acetate rayon or dynel.

CAUTION

WARNING: Do not expose treated clothing near fire or flame until alcohol has evaporated. Do not spray toward eyes or mouth. To apply to face, spray on hands and rub on. Do not apply to furniture finishes, plastics such as eye frames, and painted surfaces.

Contents under pressure. Do not puncture or incinerate container. Do not store at temperatures exceeding 120°F. Avoid contamination of food. KEEP AWAY FROM CHILDREN.
