Manufactured By

DEWITT CHEMICAL COMPANY

Atlanta, Georgia 30301

SIDE PANEL

DIRECTIONS

To Clean, Deodorize and Disinfect Toilet Bowls: Holding bowl mop over bowl, pour material over mop to thoroughly wet it. Swab toilet seat and cover. Using bowl mop, remove all water from bowl by forcing it over the trap. Holding material over toilet bowl, pour 2 to 4 ounces of undiluted liquid into toilet bowl. Clean thoroughly, especially under rim and at water outlets. Rinse seat and cover with fresh water, then flush toilet. Rinse out mop

To Clean, Deodorize and Disinfect Urinals: Remove screen or metal strainer from urinal. Hold bottle over urinal and saturate bowl mop with material. Clean urinal thoroughly, covering entire inner surface, especially the grooves along the sides and the water outlets at the top. Pour 2 to 5 ounces of material around the edge and through the drain pipe. Allow to stand for several minutes and scrub inside of pipe thoroughly.

DANGER: CORROSIVE

-KEEP OUT OF REACH OF CHILDREN-
