## ZEP-LAC 46

### DAIRY SANITIZER

#### A Powdered Chlorine-Type Dairy Sanitizer

ZEP-LAC 46 is a chlorine-type sanitizer especially formulated for the dairy industry. Solutions of ZEP-LAC 46 provide fast-acting and efficient chlorine to kill many bacteria and to help maintain sanitary conditions in the dairy.

ACTIVE INGREDIENTS		95.25%
Trisodium Phosphate	87.15%	
Sodium Carbonate	5.00	
Sodium Hypochlorite	3.09	
Potassium Permanganate	.01	
INERT INGREDIENTS		4.75%

#### DIRECTIONS FOR USE

All surfaces and equipment which are to be sanitized with ZEP-LAC 46 should first be thoroughly cleaned with one of Zep's efficient dairy cleaners.

**To Sanitize:** Use the following concentrations and brush, spray, or circulate the ZEP-LAC 46 solution on or through the equipment. Allow the solution to contact the surface being sanitized for a minimum of two minutes and rinse thoroughly.

**Raw Milk Tanks and Milk Tankers:** 8 ozs. per gal. water (provides 1850 ppm available chlorine)

**Pasteurizer Holding Tanks:** 8 ozs. per gal. water (provides 1850 ppm available chlorine)

**Bottle Filling Machine; H.T.S.T. Exchange Unit; Homogenizer; Clarifier; Plate Cooler; Separator; Pumps and Fittings:** 3 ozs. per 7 gals. water (provides 100 ppm available chlorine)

**Rubber Parts from Bottle Filling Machine:** Soak (overnight if possible) in solution containing 2 ozs. ZEP-LAC 46 per gal. water (provides 450 ppm available chlorine).

**Carton Filling Machine:** 8 ozs. per gal. water (provides 1850 ppm available chlorine)

ZEP-LAC 46 can be used as a light duty general purpose cleaner and stain remover. For this purpose a concentration of 2 to 4 ounces of ZEP-LAC 46 per gallon of water should be brushed or sprayed on the surface. Warm or hot water will increase the effectiveness of ZEP-LAC 46 for this purpose.

#### CAUTION

Harmful if swallowed. Avoid contact with skin and eyes. Avoid contamination of feed and foodstuffs. In case of contact with skin or eyes, flush with plenty of water; for eyes, get medical attention. Avoid inhalation of fumes.

**KEEP OUT OF THE REACH OF CHILDREN.**
