DIRECTIONS FOR USE (Cont'd.)

Do not spray in enclosed areas. Do not apply over cuts, wounds, or irritated skin. Do not apply to eyes and mouth and do not apply to the hands of young children. Do not spray directly on face. Spray on hands and rub on face except near mouth and eyes. Remove cap from can and hold six to eight inches from skin or clothing while spraying. Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Apply to shirt, cuffs, and around openings in outer clothing to repel ticks and chiggers. Avoid overexposure. Frequent reapplication and saturation is unnecessary for effectiveness.

After returning indoors, wash treated skin with soap and water. Wash treated clothing. Use of this product may cause skin reactions in rare cases. If you suspect that you or your child is reacting to this product, wash treated skin and call you local poison control center. If you go to a doctor, take this repellent with you.

Harmless to nylon, cotton, and wool. Do not use on acetate, rayon or dyne.

STORAGE AND DISPOSAL

DO NOT store near heat or open flame. Replace cap, wrap container in newspaper and discard in trash. DO NOT incinerate or puncture.
