

PROD. #2097

BEFORE USING THIS PRODUCT, PLEASE READ THIS ENTIRE LABEL.

989A

ZEP FORMULA 2162 INSECTICIDE

Contains Malathion

NET CONTENTS: GALS

Concentrated oil-soluble insecticide for the outside kill of flies, mosquitoes, ants, waterbugs, and cockroaches. This product is for outside use only, do not use inside the household.

ACTIVE INGREDIENTS:

Malathion (O,O-dimethyl phosphorodithioate of diethyl mercaptosuccinate).....	50.00%
INERT INGREDIENTS*.....	50.00%
TOTAL.....	100.00%

*Contains aromatic hydrocarbons

CAUTION

KEEP OUT OF REACH OF CHILDREN

See other precautions on side panel.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

DO NOT use, pour, spill, or store near heat or open flame. DO NOT contaminate water, food, or feed by storage and disposal. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Triple rinse (or equivalent) the container. Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

OUTSIDE KILL OF FLIES AND MOSQUITOES: To each 39 gallons of kerosene, mineral spirits, or No. 2 fuel oil, add 1 gallon of insecticide. Apply as a fog or space spray at the rate of 1 gallon per acre. Best results are obtained if application is made at times of low wind velocity. Thermal currents from soil and paved streets during daylight hours will cause the insecticide mist to rise rapidly, thus decreasing the contact time of the insecticide with insect harborages near the ground. Therefore, applications of this type are most effectively made at night in most locales.

FOR INDUSTRIAL AND INSTITUTIONAL USE ONLY

DIRECTIONS FOR USE (Cont'd.)

MOSQUITO LARVE IN STANDING WATER: Apply the insecticide at the rate of 15 fluid ounces per acre. Mix in sufficient oil to obtain even coverage. Use dosage only in intermittently flooded areas, stagnant water, temporary rain pools, soughs, and log ponds.

OUTSIDE KILL OF ANTS, WATERBUGS, AND COCKROACHES: To each 26 gallons of kerosene, mineral spirits, or No. 2 fuel oil, add 1 gallon of insecticide. Mix thoroughly. Apply as a coarse, wet spray to thoroughly wet surfaces frequented by crawling insects — such as ant hills, around garbage dumps, refuse containers, building foundations, exterior surfaces of doorways, window sills, fence posts and rails, walkways and driveways.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if swallowed. Avoid breathing spray mist. Avoid contact with skin. Wash thoroughly after using.

Avoid contamination of feed and foodstuffs. May cause spotting on automobile paint finish. Automobiles should not be sprayed directly. If accidental exposure occurs, automobile should be washed immediately. Do not apply directly to ornamental plants as damage may result.

This pesticide is toxic to fish, aquatic invertebrates, and aquatic life stages of amphibians. Do not apply directly to water or wetlands (i.e., swamps, bogs, marshes, and potholes). Drift and runoff may be hazardous to aquatic organisms in areas near the application site. Do not contaminate water when disposing of equipment washwaters.

This product is highly toxic to bees exposed to direct treatment on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds if bees are visiting the treatment area.

STATEMENT OF PRACTICAL TREATMENT

If swallowed: DO NOT induce vomiting. Contact a physician or Poison Control Center immediately for treatment.

If on skin: Wash all areas contacted by product with soap and water. If irritation persists contact a physician.

If in eyes: Flush eyes with water for 15 minutes. If irritation persists contact a physician.

If inhaled: If discomfort or breathing difficulty arises, contact a physician.

PHYSICAL OR CHEMICAL HAZARDS

Combustible mixture - extinguish open flames before space spraying. DO NOT USE. Pour, Spill, or Store near heat or open flame.
