## STORAGE AND DISPOSAL

Store in a cool, dry area. DO NOT contaminate water, food, or feed by storage and disposal. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Triple rinse (or equivalent) the container. Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities. Small plastic containers, after rinsing and puncturing as above, may be disposed of by incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

## DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labelling.

ZEP PINE-O-FECT is recommended for use on pre-cleaned hard surfaces.

**For disinfecting** sinks, toilets, basins, urinals, garbage pails and sick room surfaces against bacteria of intestinal origin use a dilution of 1 part Zep PINE-O-FECT to 128 parts water. (1 ounce per gallon of water.) Before disinfecting, remove gross filth and heavy soil and pre-clean surface. With this solution you can spray, scrub, or mop as required, making sure to wet all surfaces thoroughly. A wet contact time of 10 minutes is necessary for complete disinfection.

**For disinfecting** toilets against bacteria of intestinal origin, first flush to remove heavy soil. To clean, simply add at least one ounce of ZEP PINE-O-FECT per the rim and around sides. Allow to stand several minutes. Then scrub entire surface (especially under the rim) with a bowl mop, flush and rinse. To disinfect, allow solution to remain in bowl at least 10 minutes after scrubbing.

**For deodorizing**, use a solution of 1 part Zep PINE-O-FECT to 128 parts of water (1 oz. per gal. of water). Spray as necessary to deodorize the surfaces listed above.
