EPA REG. NO. 1270-237

EPA EST. NO. 1270-GA-1

**KEEP OUT OF REACH OF CHILDREN
CAUTION**

See Side Panel for Additional Precautionary Statements
FOR INDUSTRIAL AND INSTITUTIONAL USE ONLY
NOT FOR HOUSEHOLD USE OR RESALE

This disinfectant and deodorant acts quickly on germ laden surfaces such as: garbage cans, hampers, toilet seats, telephones, wash basins, urinals, door knobs, metal beds and springs, wheelchairs, linen carts, light switches, shower stalls, office machinery and other pre-cleaned hard, non-porous environmental surfaces after the surface has been properly cleaned.

Eliminates odors in the air and at their source. Acts instantly and freshens such unpleasant odors from fecal matter, urine, smoke, mold and mildew, decay, food putrefaction, perspiration, tobacco, sick rooms, vomit, and musty closets.

This product is not to be used as a terminal sterilant/high level disinfectant on any surface or instrument that (1) is introduced directly into the human body, either into or in contact with the bloodstream or normally sterile areas of the body, or (2) contacts intact mucous membranes but which does not ordinarily penetrate the blood barrier or otherwise enter normally sterile areas of the body. This product may be used to pre-clean or decontaminate critical or semi-critical medical devices prior to sterilization or high level disinfection.

NET CONTENTS: 1 U.S. QUART (946 ml)

This product is effective against the following organisms:

- | | |
|-----------------------------|-------------------------|
| Aspergillus niger | Salmonella choleraesuis |
| Staphylococcus aureus | Streptococcus pyogenes |
| Trichophyton mentagrophytes | Pseudomonas aeruginosa |

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

TO DISINFECT: Hold container upright 6 to 8 inches from surface to be disinfected, spray pre-cleaned surface 2 to 3 seconds until covered with mist. Allow a wet contact time of 10 minutes for complete disinfection. Wipe off excess with a damp sponge, towel or paper cloth.

TO DEODORIZE: Hold container upright - point spray nozzle away from face. Spray into air towards the center of the room for 1 to 2 seconds.

TO CONTROL MOLD AND MILDEW AND THEIR ODORS: Clean surface prior to application. Spray surface until covered with mist. Repeat application whenever new growth reappears. Excellent for controlling mold and mildew on mattresses, shower curtains, pillows, and books.

DO NOT use on polished wood, furniture, or rayon fabrics.

TO DISINFECT FOOD CONTACT SURFACES: Before using this product, food and food packaging materials must be removed or carefully protected. Spray pre-cleaned surfaces 2 to 3 seconds until covered with mist. Allow a wet contact time of 10 minutes. Wipe off excess with a damp sponge, towel or paper cloth. Treated food contact surfaces and equipment must be thoroughly cleaned and rinsed with potable water prior to reuse.

**PRECAUTIONARY STATEMENT
HAZARD TO HUMANS AND DOMESTIC ANIMALS
CAUTION**

Harmful if swallowed or absorbed through skin or inhaled. Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Avoid breathing spray mist. Prolong or frequently repeated skin contact may cause allergic reaction in some individuals. Wash hands before eating, drinking, chewing gum and wash clothing before reuse.

FIRST AID STATEMENT

If Swallowed: Call a Poison Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told by a Poison Control Center or doctor.

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. Call a Poison Control Center or doctor for treatment advice.

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a Poison Control Center or doctor for treatment advice.

In case of emergency, for additional information call: 1-877-541-2016

Have the product container or label with you when calling a Poison Control Center or doctor or going for treatment.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to fish and wildlife. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

PHYSICAL OR CHEMICAL HAZARDS

FLAMMABLE. Keep away from heat and open flame.

PESTICIDE STORAGE: DO NOT contaminate water, food or feed by storage and disposal.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Triple rinse (or equivalent) the container. Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities. Small plastic container, after rinsing and puncturing as above, may be disposed of by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

PRECAUCION

AL USUARIO: Si usted no lee Inglés, no use este producto hasta que la etiqueta le haya sido explicado ampliamente. (TO THE USER: If you cannot read English, do not use this product until the label has been fully explained to you.)
