NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

Your product is conditionally registered in accordance with FIFRA section 3(c)(2) and you must:

1. Submit the full data required for registration/reregistration of your product under FIFRA section 3(c)(2) when the Agency requires all registrants of similar products to submit such data.

2. Affix to your registration No. 127-2477 to your label before you release the product for shipment.

3. Please explain the discrepancy in values for density given on the Confidential Statement of Formula (3.69 lb/gal) and in the data table (7.10 lb/gal).

4. Storage stability data submitted must be conducted on the end-use formulation and submitted for review within 15 months of the date of this Registration Notice. Add a statement to the label stating that the dispenser must not be activated while people are in the room.

5. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.
