Mr. Robert G. Beach
Zep Manufacturing Company
P.O. Box 2015
Atlanta, GA 30301

Dear Mr. Beach:

Subject: Label revision, name change
Zep Meter Mist Insect Killer
EPA Registration Number 1270-247
Submission dated June 18, 1991

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comment listed below. Five copies of the finished labeling must be submitted prior to releasing the product for shipment.

The active ingredient percentages listed on the product label for each of the three active ingredients must not be less than the lower certified limit (column 14b) declared on the Confidential Statement of Formula.

Sincerely,

RFM
Richard F. Mountfort

KEEP OUT OF REACH OF CHILDREN

CAUTION

See side panels for additional cautions.

Net Weight 6.25 oz. av. 177.3 gr.

ZEP METER MIST INSECT KILLER is an insecticide formulation specifically designed for use in mist dispensing units in establishments, commercial areas and parties of restaurants, food warehouses, bottling plants, stores, dairies, stables, nurseries, etc. where flies, mosquitoes, and other insects cause annoyance.

DIRECTIONS

It is a violation of Federal law to use this insecticide in a manner inconsistent with its labeling.

To Install: Install Meter Mist unit on the floor and where air circulation is good (e.g., room 30 x 20 x 10) for 30 days before use.

To Operate: Remove protective cap and turn on dispenser. If the unit is used for an interval of 15 minutes, it will dispense 52 mg. of insecticide per hour. For best control, best results are achieved by using positive insect prevention products. EPA Reg. No. 1270-247 v
