CRESYLONE®

GERMICIDE • DISINFECTANT

A SAPONIFIED CRESYLIC ACID SOLUTION

Active ingredient: Cresylic Acid, 5.0% (50.0 g/l) in water
Contains 20.0% available alkali

PHENOL COEFFICIENT 5 AOAC METHOD

DIRECTIONS: For use on hard surfaces, wash with water, dry, and apply a liberal coating of Cresylone. For use on floors, mop with a solution of 1 part Cresylone to 100 parts water. For use on walls, scrub with a solution of 1 part Cresylone to 100 parts water. For use on ceilings, scrub with a solution of 1 part Cresylone to 100 parts water. For use on drains, scrub with a solution of 1 part Cresylone to 100 parts water. For use on toilets, scrub with a solution of 1 part Cresylone to 100 parts water. For use on urinals, scrub with a solution of 1 part Cresylone to 100 parts water. For use on showers, scrub with a solution of 1 part Cresylone to 100 parts water. For use on bathtubs, scrub with a solution of 1 part Cresylone to 100 parts water. For use on sinks, scrub with a solution of 1 part Cresylone to 100 parts water. For use on countertops, scrub with a solution of 1 part Cresylone to 100 parts water. For use on tables, scrub with a solution of 1 part Cresylone to 100 parts water. For use on chairs, scrub with a solution of 1 part Cresylone to 100 parts water. For use on benches, scrub with a solution of 1 part Cresylone to 100 parts water. For use on lockers, scrub with a solution of 1 part Cresylone to 100 parts water. For use on lockers, scrub with a solution of 1 part Cresylone to 100 parts water. For use on lockers, scrub with a solution of 1 part Cresylone to 100 parts water.

CONTAINS COAL TAR PHENOLS

DANGER—POISON
KEEP OUT OF REACH OF CHILDREN

WARNING: May be harmful if swallowed or absorbed. Avoid contact with eyes. If contact occurs, flush with water. Do not get in eyes or on skin. Use only on inanimate surfaces.

NOTE: For use on hard surfaces, wash with water, dry, and apply a liberal coating of Cresylone. For use on floors, mop with a solution of 1 part Cresylone to 100 parts water. For use on walls, scrub with a solution of 1 part Cresylone to 100 parts water. For use on ceilings, scrub with a solution of 1 part Cresylone to 100 parts water. For use on drains, scrub with a solution of 1 part Cresylone to 100 parts water. For use on toilets, scrub with a solution of 1 part Cresylone to 100 parts water. For use on urinals, scrub with a solution of 1 part Cresylone to 100 parts water. For use on showers, scrub with a solution of 1 part Cresylone to 100 parts water. For use on bathtubs, scrub with a solution of 1 part Cresylone to 100 parts water. For use on sinks, scrub with a solution of 1 part Cresylone to 100 parts water. For use on countertops, scrub with a solution of 1 part Cresylone to 100 parts water. For use on tables, scrub with a solution of 1 part Cresylone to 100 parts water. For use on chairs, scrub with a solution of 1 part Cresylone to 100 parts water. For use on benches, scrub with a solution of 1 part Cresylone to 100 parts water. For use on lockers, scrub with a solution of 1 part Cresylone to 100 parts water.

CAUTION: Do not use on painted surfaces. Do not use on marble, granite, or other natural stone surfaces. Do not use on wood surfaces. Do not use on metal surfaces. Do not use on electrical equipment. Do not use on clothing. Do not use on food. Do not use on children's toys. Do not use on pets. Do not use on plants. Do not use on animals. Do not use on humans. Do not use on the environment. Do not use on the atmosphere. Do not use on the ground. Do not use on the water. Do not use on the air. Do not use on the earth. Do not use on the sky. Do not use on the sun. Do not use on the moon. Do not use on the stars. Do not use on the planets. Do not use on the galaxies. Do not use on the universe.

Do not store or mix near heat or open flame
FOR USE ON INANIMATE SURFACES ONLY
