DISTRIBUTED BY FURST-MCNES COMPANY, FREEPORT, ILL. 61032

insect REPELLENT

Directions: To keep Mosquitoes, Flies and Gnats away from you for hours, spray all exposed areas of skin, except the face, holding container 6 to 8 inches away. To apply to face, spray on hands, then spread on face avoiding eyes and lips. Also spray shirts and socks where insects bite through. For Chiggers and Ticks also spray pants cuffs and openings in outer clothing. Will not damage nylon, orlon, cotton and wool.

Stays on. Resistant to perspiration, water and wiping. Not greasy.

Protects you for hours from Mosquitoes, Deer Flies, Stable Flies, Sand Flies and ticks, Chiggers and Ticks. Repels Fleas from treated skin.

CAUTION: Avoid contact with eyes and lips. Do not use on rayon or dyneel. May damage furniture finish, plastics and painted surfaces. Do not puncture or incinerate. Keep container out of sunlight or where temperature will exceed 120° F.
