

Kills Flies, Mosquitoes, Wasps, Hornets, Gnats, Flying Moths and other small Flying Insects, Roaches, Ants, Ticks, Silverfish, Spiders, Centipedes, Millipedes, Fleas, Bed Bugs.

DIRECTIONS

To kill Flies, Mosquitoes, Wasps, Hornets, Gnats, Flying Moths and other small Flying Insects—Close windows and doors. Spray upwards into four corners until room is filled with fine mist. Leave room closed about 15 minutes. To kill Wasps and Hornets on nest, spray nest directly at night. A thorough misting around patio, barbecue, picnic tables and other outdoor spaces when air is quiet will repel and kill annoying flying insects. Repeat as necessary.

To kill Roaches, Ants, Ticks, Silverfish, Spiders, Centipedes and Millipedes—Spray cracks of woodwork, walls, floors, around doors, window frames, baseboards, behind shelving of storage areas and other places these insects may congregate, walk or hide. Spray ant trails around doors and window sills. Do not allow children to contact treated areas until surfaces are dry.

DOG KENNELS—To kill Fleas and Ticks—Spray animal sleeping quarters fully. Force into cracks in floor and about the room. Spray animal bedding. Repeat as necessary. **Do not spray on animals.**

McNess

FLY & MOSQUITO KILLER

For Household and Milkroom Use

ACTIVE INGREDIENTS:	100%
2, 2-Dichlorovinyl Dimethyl Phosphate (DDVP)*	0.465%
Related Compounds*	0.035%
Pyrethrins	0.025%
Technical Piperonyl Butoxide**	0.062%
Petroleum Hydrocarbons	99.413%

*Equivalent to .5% Vapona® Insecticide

**Equivalent to .05% (butylcarbityl) (6-propylpiperonyl) ether and .012% related compounds.

CAUTION: KEEP OUT OF REACH OF CHILDREN

SEE SIDE PANEL FOR OTHER CAUTIONS

EPA Registration No. 1304-50

Vaporizing action of this Spray kills Flies, Mosquitoes and other listed insects in their hiding places, as well as when they are flying. The killing vapors penetrate holes and cracks, spaces behind pictures, curtains and furniture.

To kill Bed Bugs—Take bed apart and spray entire surface of bedstead, slats and springs. Spray thoroughly into cracks and joints in bedstead and on tufts and seams of mattress. Do not spray general surface of mattress. Spray on and under baseboards, moldings, cracks in floors and walls and underneath loose wallpaper and other places these insects may be found. Air mattress until completely dry, at least 4 hours before re-use.

CAUTION: DO NOT USE, POUR, SPILL OR STORE NEAR HEAT OR OPEN FLAME. Harmful if swallowed, inhaled or absorbed through the skin. Avoid breathing of spray mist. Wash thoroughly with soap and water after handling and before eating or smoking. If swallowed, induce vomiting immediately and get medical attention. Atropine in antidotal.

Do not contaminate feed, water or foodstuffs. Use no more than 3.25 ounces of solution per average size room. Remove pets and cover fish bowls before spraying.

Do not reuse empty container. Wash thoroughly with water and detergent. Discard in a safe place.
