

PRECAUTIONARY STATEMENTS

Hazardous to humans and domestic animals. Corrosive. Causes eye damage and skin irritation. Do not get in eyes, on skin or clothing. Wear goggles or face shield and rubber gloves when handling. Harmful when swallowed. Avoid contamination of food.

FIRST AID

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before use. If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution—or, if these are not available, drink large quantities of water. Call a physician immediately.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

STORAGE AND DISPOSAL

STORAGE

Do Not contaminate water, food, or feed by storage or disposal. Store in cool, dry locked storage space. Do not store on side. Waste from this product may be disposed of on site or at approved waste disposal facility.

DISPOSAL

Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary land fill, incineration, or if allowed by State and Local Authorities, by burning. If burned, stay out of smoke.
