Keep Bottle Tightly Corked - Keep in a Cool Place

BATHROOM AND KITCHEN CLEANING—To disinfect, deodorize and remove stains (bathtubs, basins, sinks, refrigerators, stoves, tile, wood-work) Wash. Then wipe with solution of $\frac{3}{4}$ cup DALOX per gallon of warm water. Rinse. If stains persist, keep wet 5 minutes with DALOX solution. Repeat if necessary. (DO NOT USE DALOX on steel, aluminum, silver, or chipped enamel. Do not apply with natural sponge.)

• **FLOORS** (plastic or ceramic tile): Mix $\frac{3}{4}$ cup DALOX per gallon of water in your suds (DO NOT USE on cork or linoleum.)

• **TOILET BOWLS**: Clean, flush. Pour in $\frac{1}{2}$ cup DALOX with solution over inside. Let stand 10 minutes; flush.

• **GARBAGE CANS**: Wash out can, rinse. Pour in $\frac{1}{4}$ cup DALOX to each gallon water. Swab. Let stand 5 minutes. Rinse.

• **SICKROOM EQUIPMENT AND DISHES**: Wash thoroughly. Soak 5 minutes in solution of $\frac{3}{4}$ cup DALOX to each gallon of hot water. Rinse, drain dry.

FOR EVERY NEED

USE on WHITE and Fast Colors Only

Do Not Use on Silk, Wool, Leather or Sponge

FOLLOW DIRECTIONS CAREFULLY

AS A BLEACH--In laundering--wash clothes in usual manner (boiling unnecessary) then add 1 tablespoonful of DALOX to each gallon of your first rinse water. Stir thoroughly. Immerse white cottons and linens and let stand for 15 minutes. Rinse several times in clear water.

TO REMOVE STAINS--Fruit, coffee, grease, chocolate, grass, blood and medicine stains, also scorch and mildew from white and fast color cottons and linens (don't use on silk or wool). Soak fabric in cold water for about 15 minutes. Make up solution using 2 tablespoons DALOX to each quart cold water. Mix thoroughly and immerse article completely for 10 to 15 minutes. Rinse well in clear water.

WARNING: Harmful if swallowed. Prolonged contact may cause skin irritation. If Dalox is splashed in eyes, flood with water. If swallowed, feed milk. Call a Physician.

Do not mix Dalox with ammonia or toilet bowl cleaners. To do so will release a hazardous gas. Rinse all empty containers before discarding.
