

Our recommendations for use of this product are based upon tests believed to be reliable. The use of this product being beyond the control of the manufacturer, no guarantee, expressed or implied, is made as to the effects of such or the results to be obtained if not used in accordance with directions or established safe practice. The buyer must assume all responsibility, including injury or damage, resulting from its misuse as such, or in combination with other materials.

DIRECTIONS

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Evershield T Seed Protectant is for use by professional seed treaters only. Observe all cautions and limitations on labeling of products used in mixtures.

Evershield is dustfree, binds protectant firmly to seed in a water permeable film, improves seed appearance, eliminates buildup in planter plates, dries fast without need of additional heat.
