leasing odor, Pine Oil Disinfectant is admirably
Hotels, Banks, Public Institutions, Office Build-
, as a disinfectant and deodorant.

KEEP OUT OF REACH OF CHILDREN

CAUTION STATEMENTS ON SIDE PANELS

1362-1

SOLD BY

INFECTANT COMPANY

A AVE., MEMPHIS, TENN.

DIRECTIONS (continued)

It is instantly soluble in water in which it forms a creamy milk-white emulsion which does not separate on standing. When mixed with water in recommended dilutions, does not stain the walls, floors, or clothes, and leaves a pleasant and agreeable odor of pine.

CAUTION: Harmful if swallowed. Do not induce vomiting. May be irritating to skin and eyes. Avoid contamination of feed and foodstuffs.

ANTIDOTE

INTERNAL—Give milk, white of egg, flour and water paste, or cornstarch and water paste. Immediately call a physician.

EXTERNAL—Flush with water.

Rinse empty small container and discard. Do not reuse empty drum. Return to reconditioner or destroy by perforating or crushing and bury in a safe place.

TO ATTACHED COMMENTS.

VITRA-KLEEN

for easy care of vitreous ware

DIRECTIONS

Pour Vitra-Kleen into plastic or china bowl, allowing 3 ounces for each urinal, 2 ounces for each toilet bowl. Apply with brush that is merely wet, not dripping.

URINALS

1. Remove strainer.
2. Pour 2 ounces Vitra-Kleen into drain.
3. With swab, clean urinal surface, including areas behind edges and under top.
4. Swab inside of drain pipe.
5. Replace strainer. Flush urinal several times.

TOILET BOWLS

1. Depress water level by pouring rapidly half a pail of water into bowl.
2. Swab out bowl and areas under flushing rim. Flush bowl.

SINKS, BATHTUBS, DRINKING FOUNTAINS

1. Make up solution of 1 part Vitra-Kleen to 3 parts water.
2. Clean surface with swab. Rinse thoroughly with water.

Vitra-Kleen does not affect operation of septic systems

POISON

EPA R
No. 13

DANGER! Corrosive: Keep Out of Reach of Children. May be fatal if swallowed. Do not breathe vapor or fumes. Produces chemical burns. Do not get in eyes, on skin, or on clothing.

ANTIDOTE

Internal — Call a physician immediately. Drink a teaspoonful of milk of magnesia, chalk, or small pieces of soap, softened with water or milk or raw egg white.

External — **Eyes:** Wash with water for 15 minutes. Get prompt medical attention. **Skin:** Wipe off the acid gently, immediately with water, using soap freely, then cover with moist material or baking soda.

Rinse empty container thoroughly with water and discard.
