

## DIRECTIONS FOR USE

IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING.

Spray infested surfaces until wet.

**TO KILL: Cockroaches, Ants, Silverfish, Spiders, Crickets**

Spray areas where these pests are found or may hide, including dark corners of rooms and cracks, crevices, along baseboards, and door sills and frames, behind and beneath stoves, refrigerators, cabinets and around garbage cans, plumbing and other utility locations. Pests flushed out of hiding should be sprayed directly. Treat ant trails, nests and points of entry. Repeat treatment as necessary.

**TO KILL: Carpet Beetles**

Spray edges of carpeting and under carpeting and rugs. Make localized application to the floor and baseboards. Spray directly into cracks, closets and infested areas of shelving. Repeat as necessary.

**TO KILL: Brown Dog Ticks, Insects**

Clean premises thoroughly before treatment. Pet bedding should be cleaned or replaced with fresh bedding after treatment. Spray localized areas around Pet's sleeping area paying special attention to nearby cracks and crevices where ticks may be hiding. To avoid reinfestation, pets must be treated simultaneously with an insecticide labeled for use on animals. Do not treat pets with this formulation.

**TO KILL: Flies, Small Flying Moths, Mosquitoes, Wasps**

For outdoor use only as a aid in reducing annoyance from these pests. Spray outside surfaces of screens, doors, window frames or wherever these insects may enter the room. Also treat surfaces around light fixtures or porches, in garages and other places where these insects alight or congregate.

**TO KILL: Flies, Chiggers, Ants (OUTDOORS)**

For treatment of localized infestation of these insects in outdoor areas, spray weeds and bushy non-crop areas around the home thoroughly. Avoid spraying desirable plants. For ants, thoroughly wet hills and runways. Repeat applications as infestations warrant and as reinfestation occurs.

## STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

**PESTICIDE DISPOSAL:** Pesticide, spray mixture or residue that cannot be used according to label instructions must be disposed of according to Federal, State or local procedures under the Resource Conservation and Recovery Act.

**CONTAINER DISPOSAL:** Triple rinse (or equivalent) and offer for recycling or reconditioning, or dispose of in a sanitary landfill, or by other State and Local procedures.
