Responsible May 2012 Active to Inert Change in Status.

**PRECAUTIONARY STATEMENTS  
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION**

May be fatal if swallowed. Avoid inhalation of mist and contact with skin. In case of contact with skin or eyes, flush with plenty of water, for eyes get medical attention. Wash thoroughly with soap and water after handling and before eating or smoking. Keep out of reach of children. If swallowed, induce vomiting immediately and get medical attention. Atropine is antidotal.

**ENVIRONMENTAL HAZARDS**

This product is toxic to fish, birds, and other wildlife. Keep out of lakes, streams, or ponds. Do not apply where run-off is likely to occur. Do not contaminate water by cleaning of equipment or disposal of waste. Apply this product only as specified on its label..

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**STORAGE AND DISPOSAL**

**STORAGE:** Store in a secure area, in original container only, away from fertilizers, food or feed.

**PESTICIDE DISPOSAL:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Do not contaminate water, food, or feed by storage or disposal.

**CONTAINER DISPOSAL:** Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

**VAPORIN DAIRY SPRAY** is a special formula, ready-to-use fly spray for use in hand mist sprayers, power or automatic spray or mist equipment. **VAPORIN** is not suited for use in a backrubber.

Do not spray calves under 6 months of age. Braham cattle should not be treated as they may show hypersensitivity to organic phosphates. Do not wet the skin.

**FLY CONTROL**--For Horn Flies, Face Flies, House Flies on dairy cattle and beef cattle apply as a light mist application to animals at the rate of no more than 2 ounces daily before turning to pasture. A 1 ounce application may be made twice daily or on dairy cows before morning and evening milking. Treat entire animal. For Face Flies treat face and forehead. For Stable Flies make sure spray reaches legs, ankles, and flanks.

**NOTICE**

Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of **MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE**, express or implied, extends to the use of this product contrary to label instructions; or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.
