## CAUTION

KEEP OUT OF REACH OF CHILDREN

See Remainder of CAUTION Statement on Side Panel

EPA Reg. No. 1386-234

EPA Est. No. 1386-OH-1

Net Volume

5 U.S. Gallons Liquid

FC-833A-4-74

PROD. 313

MANUFACTURED BY

UNIVERSAL COOPERATIVES, INC., ALLIANCE, OHIO 44601

## CAUTION

Harmful if swallowed. Do not breathe vapor. Avoid contact with skin, eyes and clothing. Wash thoroughly after using. Avoid contamination of feed and foodstuffs.

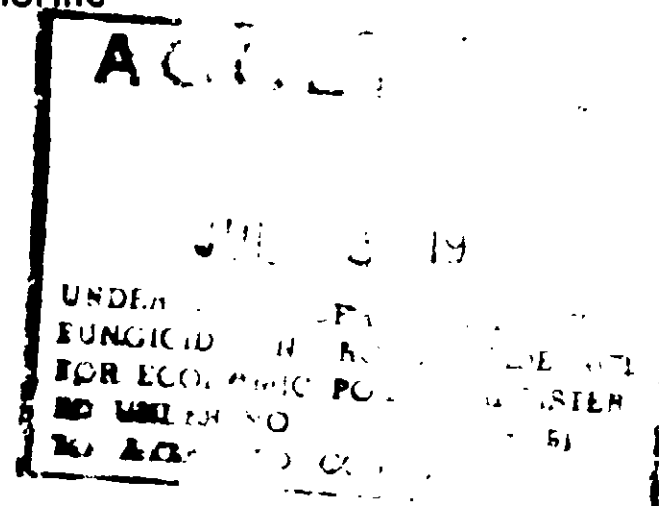

DO NOT USE OR STORE NEAR HEAT OR OPEN FLAME.

This product is toxic to fish, birds, and other wildlife. Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this material only as specified on this label.

DESTROY EMPTY CONTAINERS. Do not reuse this container for any purpose. Punch holes in top and bottom and burn empty metal containers in a hot fire, outdoors, in an isolated area. The smoke is hazardous. Stay well away from the smoke. Crush burned containers, when cooled, and bury deeply in a pit on non-crop land in an isolated area.

## NOTICE

Use only for the purposes and in compliance with the limitations, cautions or warnings stated on this label.

## DIRECTIONS FOR USE

Apply this product as a coarse (large droplet) spray in the areas where the pests are found or may hide.

**Cockroaches, Ants, Silverfish, Spiders, Crickets, and Earwigs:** Apply in areas where these pests are found or may hide; including under beds, in rooms and closets, cracks, and crevices, along baseboards and door sills and frames, behind and beneath sinks, stoves, refrigerators, and cabinets, and around garbage cans, plumbing and other utility installations. Pests driven out of hiding places should be sprayed directly. Spray ant trails, nests and points of entry.

**Brown Dog Ticks:** Apply thoroughly as a spot treatment to infested areas such as pet beds and resting quarters, nearby cracks and crevices, along and behind baseboards, window and door frames and localized areas of floor and floor covering where these pests may be present. Fresh bedding should be placed in animal quarters following treatment. Do not spray pets with this product.

**Flies and Mosquitoes:** Use only on outdoor surfaces. Spray outside surfaces of windows and door frames and other areas where these pests may enter the home. Also spray dark corners and localized resting areas such as under eaves, porches, partitions and areas where these insects may congregate. Flies and mosquitoes landing on or in treated surfaces will be killed. Mosquitoes will die when they ingest it minutes.

## USE PRECAUTIONS

Do not use on painted or treated surfaces until the paint has dried.

Apply to surfaces with a spray nozzle. Do not spray directly on people or animals.

Do not use on water supplies or drinking water. Wash hands thoroughly with soap and water after use.

Do not use on food or food preparation surfaces.
