

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION**

Harmful to waterways. Do not use in or near streams, rivers, or ponds. Avoid breathing vapors. Spray mist users should wear protective clothing. Avoid contact with skin or eyes. Wash thoroughly after handling. Do not eat, drink, or use tobacco while using this staff.

STATEMENT OF PRACTICAL TREATMENT

If in eyes, flush with plenty of water for at least 15 minutes. If on skin, wash affected areas with soap and water. If on clothing, remove and launder. Apply respirator if inhaled.

NOTE TO PHYSICIAN — This product may cause repeated phosphylation which may cause cholinesterase inhibition.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to birds and other wildlife. Keep out of lakes, streams, or ponds. Do not apply to areas where run-off is likely to occur. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment or disposal of wastes.

This product is highly toxic to bees exposed to direct treatment or to residues on plants. Protective information may be obtained from your Cooperative Agricultural Extension Service.

PHYSICAL OR CHEMICAL HAZARDS

Keep away from heat, sparks, or flames.

STORAGE AND DISPOSAL

Do not store where temperature may be below 32° F. Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE DISPOSAL: Pesticide, spray mixture or rinsate that cannot be used according to label instructions must be disposed of according to Federal, State or local procedures under the Resource Conservation and Recovery Act.

CONTAINER DISPOSAL: Triple rinse (or equivalent) and dispose of in a sanitary landfill or by other approved State and local procedures.

NOTICE

Use only for the purpose and in compliance with the limitations, cautions or warnings stated on this label.

The use of the within contained material for systemically protecting living plants is covered by Patent No. 3,210,242. The selling price includes a royalty for the right of any purchaser of said material to practice the methods claimed in said patent. A nontransferable license under said patent may be obtained from American Cyanamid Company on current royalty terms whatever the source of material used.
