## KLEEN KWIK LIQUID WEED KILLER

USE ONLY WHERE PLANT GROWTH IS UNWANTED.

Do not use near shade trees, shrubs, or other desirable vegetation.

KILLS—Annual and perennial weeds and grasses, plus shallow rooted shrubs and trees.

### GENERAL INFORMATION

KLEEN KWIK Liquid Weed Killer is a superior vegetation killer for the control of most annual and perennial grasses and broadleaf weeds on non-crop land such as industrial plants, oil and gas depots, lumber yards, transmission sub-stations, rail sidings, pole yards, stone covered parking areas or pre-surfacing treatment of paved areas. For non-crop agricultural uses around granaries and elevators, farm buildings, drainage ditch banks, fence rows, roadside markets and driveways.

### DIRECTIONS FOR USE

RATE—Under ordinary conditions, use at the rate of 2/3 to 1-1/3 gallons per 1,000 square feet (9/16 to 1-1/8 pint per 100 square feet). Under conditions where weeds are difficult to control, use at the rate of 2 gallons per 1000 square feet (1-3/5 pints per 100 square feet).

HOW TO APPLY—Use a sprayer which will distribute the required amount evenly over the area to be treated. Use a coarse spray to reduce drift. Application may be made when top growth is dense by mixing the required amount of concentrate with an equal amount of water and apply the mixture evenly over the area to be treated. Apply as soon as possible after mixing. Gentle agitation of the spray solution may be necessary if the mixture is allowed to stand for extended period of time.

## For Industrial and Non-Crop Soils

### ACTIVE INGREDIENTS:

Monuron Trichloroacetate	
3-(p-chlorophenyl)-1, 1-dimethylurea trichloroacetate	8.87%
Aromatic Petroleum Derivative	72.86%

INERT INGREDIENTS: 18.27%

TOTAL 100.00%

Contains 3/4 Pound of Monuron Trichloroacetate per Gallon

U.S. Patent No. 2,782,112 and 2,801,911

## CAUTION

KEEP OUT OF REACH OF CHILDREN

FOR ADDITIONAL CAUTIONS SEE SIDE PANEL

EPA Reg. No. 1386-567

Net Volume

5 U.S. Gallon Liquid

FC-985A-7-72

PROD 140

MANUFACTURED BY

UNITED CO-OPERATIVES, INC., ALLIANCE, OHIO 44601

### CAUTION

May cause eye irritation. May irritate nose, throat and skin. Do not get in eyes. Avoid contact with skin and clothing. Avoid breathing spray mist. Wash thoroughly after handling. In case of contact, flush eyes or skin with plenty of water; for eyes get medical attention.

DESTROY container so that it may not be used again for any purpose and dispose of it at some location where no attempt to salvage will be made.

IMPORTANT—Injury to or loss of desirable trees or other plants may result from failure to observe the following:

DO NOT apply, permit to drift or drain, or flush equipment onto or near cropland, trees or other desirable plants or to areas where their roots may extend. DO NOT contaminate irrigation or domestic water supplies, farm ponds or water to be used for livestock. DO NOT allow contact with fertilizers, insecticides, fungicides or seeds. Application equipment should be thoroughly cleaned with detergent and water. Equipment which has been used to apply this product should not be used for applying insecticides, fungicides, fertilizers or other agricultural chemicals as plant injury may result. Follow directions carefully. Timing and methods of application, weather and crop conditions, mixtures with other chemicals not specifically recommended and other influencing factors in the use of this product are beyond the control of the seller. Buyer assumes all risks of use, storage or handling of this material not in strict accordance with directions given herewith.

### NOTICE

Use only for the purposes and in compliance with the limitations, cautions or warnings stated on this label.
