Minneapolis, Minnesota 55440

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label change:

a. Revise the EPA Registration Number to read, "EPA Reg. No. 1386-662".

Signature of Approving Official:

Date:

12/18/97

Jals

page 2
EPA Reg. No. 1386-662

3. Submit two copies of the revised final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
WARNING**

Causes substantial but temporary eye injury. Do not get in eyes. Harmful if swallowed, inhaled or absorbed through skin. Avoid contact with skin or clothing. Avoid breathing vapor or spray mist. Wear safety glasses. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

STATEMENT OF PRACTICAL TREATMENT

If In Eyes: Hold eyelids open and flush with a steady, gentle stream of water. Get medical attention. **If Swallowed:** Call a physician or Poison Control Center. Give water if conscious. May present aspiration hazard. **DO NOT** induce vomiting. **If On Skin:** Wash with plenty of soap and water. Get medical advice. **If Inhaled:** Remove victim to fresh air.

NOTE TO PHYSICIAN: If swallowed, lavage stomach, taking care to avoid aspiration of stomach contents into the lungs.

For Medical Emergency information call 1-800-228-5635, extension 138.

ENVIRONMENTAL HAZARDS

Do not use on slopes or in areas where runoff is likely to occur (apply only to level surfaces). Do not contaminate water used for irrigation or domestic purposes. Do not contaminate water by cleaning of equipment or disposal of wastes. Do not contaminate water when disposing of equipment waste water. Apply this product only as specified on this label.

PHYSICAL OR CHEMICAL HAZARDS

Do not use, pour, spill or store near heat or open flame.

GENERAL INFORMATION

For total weed control on certain areas around the home, the business, or workplace where no plant growth is desired, use as specified in label directions.

Controls bindweed, common mullein, and other hard-to-kill weeds.

Prevents plant growth for up to one year.

Kleenwalk is a nonselective product intended for use after dilution with water, or an appropriate oil, or other approved carrier. For best results, apply to bare ground or when weed growth is just starting. Weeds taller than 4-6 inches should be hoed before treatment or it may be necessary to make a second application. A second application may be necessary to control deep-rooted perennial weeds. Use for bare ground vegetation control in driveways, brick walks, paths, patios, parking areas, play areas, along fences and

curbs, around buildings, and under graveled pathways where plant growth has come through these surfaces.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

IMPORTANT: Read the entire Directions For Use and the Warranty and Limitation of Damages before using this product.

For control of annual and susceptible perennial weeds such as downy brome grass, oatgrass, goosegrass, quackgrass, puncturevine, goldenrod, and plantain. To cover 100 square feet, add 10-16 fluid ounces by use of a sprinkling can or other watering or spraying device in sufficient water to get good coverage of the area (e.g., 2 1/2 gallons in sprinkling can). For control of hard-to-kill perennial broadleaf and grass weeds such as bindweed and johnsongrass as well as the biennials common mullein and wild carrot, use 1 1/3 - 1.8 quarts in sufficient water to get good coverage. Different grades of mineral oil, diesel fuel, petroleum-based oil, fuel oil, or kerosene may be substituted for water.

When using sprinkling can, triple rinse and pour rinsate on area treated once application is completed. Mix only the quantity needed and use immediately. Do not store dilute solution once container is opened. To minimize lateral movement, sprinkle lightly with a watering can or similar sprinkler device immediately after application.

PRECAUTIONS: (1) Apply when air is calm to avoid the possibility of drift onto desirable plants or grass. (2) Keep away from the roots of desirable plants and trees. (3) Use only in areas where complete control of all vegetation is desired. (4) **KLEENWALK SHOULD NOT BE USED ON CULTIVATED AREAS, ON GROUND THAT IS TO BE CULTIVATED, IN GREENHOUSES, OR NEAR THE DRIP LINE OF TREES OR SHRUBS.** (5) Do not use on slopes or in areas where runoff is likely to occur (apply only to level surfaces). (6) Avoid using where adjacent desirable trees, shrubs or plants may be injured from leaching of the chemical through the soil. (7) Keep children and animals off treated areas until these areas are dry.

STORAGE AND DISPOSAL

Do not reuse empty container. Wrap container and put in trash collection.

WARRANTY AND LIMITATION OF DAMAGES

Seller warrants that this material conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use and Buyer assumes the risk of any use contrary to such directions. Seller makes no other express or implied warranty, including any other express or implied warranty of Fitness or of Merchantability, and no agent of Seller is authorized to do so except in writing with a specific reference to this warranty. In no event shall Seller's liability for any breach of warranty exceed the purchase price of the material as to which a claim is made.
