DIRECTIONS FOR USE

(continued from left panel)

FOR ANTS: Spray freely and directly on insects if possible. Then spray around baseboards, doors, sills, and window frames where pests may enter premises.

FOR FLEAS: Use same directions as for ants. In addition, spray frequently the sleeping quarters of animals. Treat floors and floor coverings.

STORAGE AND DISPOSAL

GENERAL: Do not contaminate water, food, feed, fertilizer, or other pesticides by use, storage, or disposal. If damaged, leaking, or spilled, soak up and wrap waste, then dispose of as below.

STORAGE: Keep in upright, tightly closed original container in a cool, dry, locked area away from flames, sparks, sunlight, other chemicals, and other sources of ignition, heat, degradation, or contamination.

DISPOSAL: Do not reuse empty container. Rinse original container thoroughly, then securely wrap in several layers of newspaper and discard in trash.
