 FOR EFFICACY AND RESISTANCE
 TESTED UNDER THE FEDERAL INSECTICIDE
 TO ATTACHED LABELS

7/31/84

Reformulated for the control of roaches, ants and certain other insects in homes, public institutions, supermarkets, bakeries, warehouses, as a spot treatment.

ACTIVE INGREDIENTS:	
Petroleum distillates	99.061
O, O-diethyl O-(2-isopropyl-4-methyl-6-pyrimidinyl) phosphorothiate*	0.500
Bifenthrin, 1-Butoxide, technical**	0.283
Pyrethrins	0.085
INERT INGREDIENTS:	
Diazinon	0.121
*Consists of (Butylcarbityl) (6-Propylpiperonyl) and related compounds	

DIRECTIONS FOR USE

Spot Infested Surfaces only until wet: *Ants, waterbugs, silverfish crickets:* Spray heavily in all cracks around baseboards and other places where these insects hide. Also, spray until wet, surfaces behind and beneath cabinets, refrigerators, sinks, stoves, etc. Use on other localized areas infested with these pests. Spray known ant trails, and areas around door and window frames, pipe entries, and other means of entry for ants. Repeat all treatments as required.

Carpet Beetles: Make localized application to areas of the floor and baseboards, spray directly into cracks and under carpets where insects may be found. Treat crevices, cracks or closets and infested areas of shelving. Repeat as necessary.

Brown Dog Ticks: Thoroughly spray infested areas around baseboards, window and door frames, wall cracks, sleeping quarters of household pets and localized areas of floor coverings. Application should be repeated as infestation warrants and as reinfestation occur. Fresh bedding should be placed in animal quarters following treatment. Do not treat animal with this formulation.

Flies, Mosquitoes, Wasps and Flying Moths outdoors: For outdoor use only as an aid in reducing annoyance from these insects. Spray outside surfaces of screens, doors, window frames or wherever these insects may enter the room. Also treat surfaces around light fixtures on porches, in garages, and other places where these insects might congregate.

Flies, Chiggers, Ants and Brown Dog Ticks outdoors: For treatment of localized infestations of these insects in outdoor areas where there is no vegetation, spray infested areas thoroughly. For ants, thoroughly wet trails and runways. Repeat applications as infestations warrant, and as reinfestation occur.

CAUTION

KEEP OUT OF REACH OF CHILDREN

Harmful if swallowed. Avoid breathing of spray mist. May be absorbed through the skin. Avoid contact with skin, eyes, clothing. Wash thoroughly after using. In case of contact with eyes, flush with plenty of water. Do not contaminate foodstuffs or feed.

Do not use on household pets or humans.

Puncture empty container to prevent re-use. Wipe up all spillage.

Non-flammable mixture. Do not use or store near heat or open flame. Do not use in areas where food is prepared.

"Do not use in edible products areas of food processing plants, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed."
