NET CONTENTS: GALLONS

**Fly, Mosquitoes:** Close doors and windows. Fill entire room with fog, directing spray towards ceiling. After 20 minutes, open room and sweep up fallen insects. Repeat treatment as required.

**Roaches, Waterbugs, Silverfish:** Spray around baseboards, into cracks, crevices, water pipe, entries, sills, and known hiding places. Spray directly on insects when possible. Frequent applications on infested areas are required for optimum control.

**Spiders:** Spray directly on spiders and webs with a wet spray.

**Fleas:** Spray floors and cracks, baseboards, carpets, upholstery. In addition, spray frequently the sleeping quarters of animals. Repeat applications as need. Do not treat animals with this product.

**Red Mites, Blue Bugs, in Poultry Houses:** After cleaning and removing of all trash, use a coarse spray to wet all surfaces and entire floor area, paying particular attention to cracks and crevices. Repeat application as required. Do not spray directly on fowl.

**Granary Weevil, rice weevil, rusty grain beetle, red flour beetle, saw-toothed grain beetle, spider beetle, angoumois grain moth, Mediterranean flour moth, cigarette beetle, and drug store beetle** in accessible stages.

Remove all dirt and trash from floors and walls. Clean crevices, cracks, and other hiding places. Spray sufficiently to wet all surfaces and down into cracks, crevices or floor holes where insects may hide.

LIMITED USE
