

For use in Bakeries, Dairies, Flour Mills, Food Areas, Meat Packing Plants, Poultry Houses, Warehouses, and wherever food is stored or processed.

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS & DOMESTIC ANIMALS**  
**CAUTION** Harmful if swallowed.

Avoid contamination of foodstuffs or feeds. Use this product in food processing plants, including meat processing plants, only when plant is not in operation. Foods should be removed or covered during treatment. All food processing surfaces should be covered or thoroughly cleaned before reuse.

**PHYSICAL OR CHEMICAL HAZARDS**

Do not use, pour, spill, or store near heat or open flame

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling

**General** May be diluted with equal parts of deodorized insecticide base oil. When used in fogging machines, always follow directions of manufacturer. When used in an enclosed area, do not remain in the treated area. Ventilate the area after treatment is completed.

**Flies and Mosquitoes** Close doors and windows. Fill entire room with fog, directing spray toward the ceiling. After 20 minutes, open room and sweep up fallen insects. Repeat treatment as required.

**Roaches, Silverfish, and Waterbugs** Spray around baseboards, into cracks, crevices, water pipe entries, sills, and known hiding places. Spray directly on insects when possible. Frequent applications on infested areas are required for optimum control.

**Spiders** Spray directly on spiders and webs with a wet spray.

**1 GAL (3.78 L)**

**DIRECTIONS FOR USE**  
 (continued from left panel)

**Fleas:** Spray floors and cracks, baseboards, carpets, and upholstery. In addition, spray frequently the sleeping quarters of animals. Repeat applications as needed. Do not treat animals with this product.

**Blue Bugs and Red Mites in Poultry Houses:** After cleaning and removing all trash, use a coarse spray to wet all surfaces and entire floor area, paying particular attention to cracks and crevices. Repeat application as required. Do not spray directly on fowl.

**Angoumois Grain Moths, Cigarette Beetles, Drug Store Beetles, Granary Weevils, Mediterranean Flour Moths, Red Flour Beetles, Rice Weevils, Rusty Grain Beetles, Saw-toothed Grain Beetles, and Spider Beetles** in accessible stages: Remove all dirt and trash from floors and walls. Clean crevices, cracks, and other hiding places. Spray sufficiently to wet all surfaces, and down into cracks, crevices, or floor holes where insects may hide.

**STORAGE AND DISPOSAL**

**GENERAL:** Do not contaminate water, food, feed, or other pesticides by use, storage, or disposal. If damaged, leaking, or spilled, soak up and wrap waste, then dispose of as below.

**STORAGE:** Keep in upright, tightly closed original container in a cool, dry, locked area away from flames, sparks, sunlight, other chemicals, and other sources of ignition, heat, degradation, or contamination.

**DISPOSAL:** Do not reuse empty container. Rinse original container thoroughly, then securely wrap in several layers of newspaper and discard in trash.
