

HOCH 30Z MALATHION IN OIL

ACTIVE INGREDIENTS:

Malathion*	30Z
Xylene	35Z
Petroleum Distillates	35Z
TOTAL	100Z

\*O,O-Dimethyl Dichlorophosphate of Diethyl Mercaptosuccinate

DIRECTIONS

For control of flies around dwellings, outbuildings, dairy barns, horse barns and sheep barns, city dumps, garbage heaps: Dilute one gallon per 30 gallons of kerosene, mineral spirits, or similar solvent. Use in a coarse spray to wet all areas where flies congregate. Do not contaminate milk, milking equipment, feed or drinking water. Remove lactating dairy animals and animals under one month of age from buildings before treating.

Crawling insects, roaches, ants, spiders, in and about homes: Dilute 1 to 15 with solvent. Apply by coarse spray or paint brush to window sills, baseboards under sinks, drainboards, stoves and other areas frequented by insects. Treat all cracks and crevices. Repeat as necessary.

NOTE: When used in meat and poultry processing plants, apply only in inedible product area. Do not use where food is processed or stored. Apply only as a spot treatment and follow directions for crawling insects in homes as above.

CAUTION

KEEP OUT OF REACH OF CHILDREN

CAUTION: Harmful if swallowed. Avoid breathing spray mist. Avoid contact with skin. Wash thoroughly after using. Do not contaminate milk, milking equipment, food or drinking water.

Do not use in edible products areas of food processing plants, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

Keep container closed and away from heat and open flames.

NOTE TO PHYSICIAN: This product may cause cholinesterase inhibition. Atropine is antidotal.

This product is toxic to fish. Keep out of any body of water.

Do not apply where run-off is likely to occur. Do not apply when weather conditions favor drift from area treated. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.

Do not re-use empty container. Destroy it by perforating or crushing. Pury or discard in a safe place away from water supplies. Empty drums may be re-turnd to drum reconditioner or destroyed by perforating or crushing and buried in a safe place away from water supplies.

DO NOT USE, POUR, SPILL OR STORE NEAR HEAT OR OPEN FLAMES.
