

GENERAL INFORMATION

A specially formulated non-selective weed killer for controlling a wide variety of annual and perennial weeds and grasses. This ready-to-use product is recommended for use only on non-cropland areas such as railroad, highway and pipeline right-of ways; industrial sites, lumber yards, tank farm, storage locations and other areas where weed control and soil sterilizing is required. The degree and duration of results obtained will depend upon the amount applied, type of soils, amount of rainfall and other conditions.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

WARNING: Harmful if swallowed or absorbed through skin. Causes skin irritation. Do not get in eyes, on skin, or on clothing. Avoid breathing spray mist or vapor. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

Do not contaminate drinking water, foods, or feeds.

STATEMENTS OF PRACTICAL TREATMENT

IF SWALLOWED: Contains over 90% Petroleum Distillates. Immediately call a Poison Control Center, emergency department, or physician. Vomiting may need to be induced, but only on the advice of medical personnel.

IF IN EYES: Immediately flush eyes with water. Remove any contact lenses, then flush eyes thoroughly with water. Get medical attention if irritation persists.

IF ON SKIN: Immediately remove any contaminated clothing (wash before reuse), and flush affected skin with plenty of water. Get medical attention if irritation persists.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and wildlife. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes.

PHYSICAL/CHEMICAL HAZARDS

Do not use or store near heat or open flame.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Users should consult Agricultural Experiment Station or Extension Service weed specialists as to use of this product in their locality, or consult the sales representative.

For use only on non-crop lands. Do not apply directly or permit this product to come in contact with any desired plants or vegetables. Do not permit spray mists to drift to other areas. Use a coarse spray. Vapors from this product may injure susceptible plants in the immediate vicinity. Do not apply to areas underlaid by roots of desirable plants.

Apply undiluted weed killer at the rate of 43.5 gal/acre (407 L/Ha) after the most predominant weeds have emerged. Apply with any standard spraying equipment. For treating small areas, a tank type sprayer, hand sprayer, or sprinkling can may be used.

Thoroughly clean spray equipment before using for any other purposes, or reserve spray equipment for this purpose only. Use this product only for the purpose intended.

STORAGE AND DISPOSAL

GENERAL: Do not contaminate other materials, including water, food, feed, fertilizer, or seed, during transport, use, storage, or disposal. If damaged, leaking, or spilled, soak up and wrap waste, then dispose of as below.

STORAGE: Keep in upright, tightly closed original container in a cool, dry, locked area away from flames, sparks, sunlight, other chemicals, or other sources of ignition, heat, degradation, or contamination.

DISPOSAL: Do not reuse empty container. Rinse original container thoroughly, then securely wrap in several layers of newspaper and discard in trash.
