### PRECAUTIONARY STATEMENTS

#### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**CAUTION.** May be harmful if swallowed, inhaled, or absorbed through the skin. Avoid breathing spray mist. Provide adequate ventilation of area being treated. Avoid contact with skin, eyes, and clothing. Wash thoroughly after using and before smoking or eating. Do not allow children to contact treated surfaces until surfaces are completely dry. Do not use as a space spray. Do not use on household pets or humans. In case of illness, get prompt medical attention.

Avoid contamination of food, food processing equipment, and food handling surfaces. Use only in inedible product areas of meat, poultry, and food processing plants. Apply only when plant is not in operation. Remove all food and containers before applying. Cover all processing surfaces and rinse with water before resuming operation. Apply only as a spot residual spray and in a manner to preclude contamination.

**NOTE TO PHYSICIAN:** Atropine sulfate is antidotal.

#### PHYSICAL/CHEMICAL HAZARDS

Combustible mixture. Do not use or store near heat or open flame. Do not smoke while using.

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Spray infested surfaces only until wet.

#### INDOORS

**ANTS, CRICKETS, ROACHES, SILVERFISH, WATER-BUGS.** Spray heavily in all cracks around baseboards and other places where these insects hide. Also, spray until wet, surfaces behind and beneath cabinets, refrigerators, sinks, stoves, etc. Use on other localized areas infested with these pests. Spray known ant trails, and areas around door and window frames, pipe entries, and other means of entry for ants. Repeat all treatments as required.

**CARPET BEETLES.** Make localized application to areas of the floor and baseboards. Spray directly into cracks and under carpets where insects may be found. Treat crevices, cracks, closets, and infested areas of shelving. Repeat as necessary.

(continued on right panel)

# baygon RESIDUAL SPRAY

### DIRECTIONS FOR USE

(continued from left panel)

**BROWN DOG TICKS:** Thoroughly spray infested areas around baseboards, window and door frames, wall cracks, sleeping quarters of household pets, and localized areas of floor coverings. Application should be repeated as infestation warrants and as reinfestation occurs. Fresh bedding should be placed in animal quarters following treatment. Do not treat animal with this formulation.

**ACCESSIBLE OR EXPOSED STAGES OF BEETLES** (Cigarette, Drugstore, Red Flour, and Saw-Toothed Grain), **CADELLES, DERMESTIDS, MOTHS** (Indian Meal and Mediterranean Flour), **AND WEEVILS:** Thoroughly treat walls and floors of infested areas, paying special attention to cracks, crevices, corners, and perimeters. Keep area clean of dirt and accumulations. Burn infested trash.

#### OUTDOORS

**FLIES, MOSQUITOES, Flying MOTHS, and WASPS:** For outdoor use only as an aid in reducing annoyance from these insects. Spray outside surfaces of screens, doors, window frames, or wherever these insects may enter the room. Also treat surfaces around light fixtures on porches, in garages, and other places where these insects alight or congregate.

**ANTS, BROWN DOG TICKS, CHIGGERS, AND FLEAS:** For treatment of localized infestations of these insects in outdoor areas where there is no vegetation, spray infested areas thoroughly. For ants, thoroughly wet hills and runways. Repeat applications as infestations warrant, and as reinfestations occur.

#### STORAGE AND DISPOSAL

**GENERAL:** Do not contaminate other materials (including water, food, and feed) during transport, use, storage, or disposal. If damaged, leaking, or spilled, soak up and wrap any waste, then dispose of as below.

**STORAGE.** Keep in upright, tightly closed original container in a cool, dry, locked area inaccessible to children and away from sources of ignition, heat, degradation, or contamination (including flames, sparks, sunlight, and other chemicals). Do not store below 32°F (0°C).

**DISPOSAL:** Do not reuse empty container. Rinse original container thoroughly, then securely wrap in several layers of newspaper and discard in trash.
