

Air thoroughly before wearing treated clothes.

**PREPARATION:** Use a 1% spray (dilute 1 plus 99). Thoroughly spray bed and mattress, under the covers and hiding places about the bedroom, around baseboards, walls, etc. Repeat application as necessary. Air thoroughly before sleeping in sprayed room.

**SPIDER AND SPIDERBITE:** Spray on insects directly when possible and on cracks, crevices and other hiding places. Repeat application as necessary.

**ANT:** Spray into cracks and other hiding places and into nest directly. Repeat application as necessary. Treat ant trails and areas around door sills and window frames. Repeat application as necessary.

**WARNING:** KEEP OUT OF REACH OF CHILDREN. Avoid contact with eyes, nose, mouth and food containers and other articles. Prolonged contact with treated material with the skin and clothing may cause irritation. Wash with soap and water for fifteen minutes if swallowed. Keep out of reach of children.

**PRECAUTIONS:** Do not pour, spill or break your fire or flame.
