Attention: Dr. Robert Stewart

Subject Chem Sect Brand Cube Powder
EPA Reg. No. 1439-236
Your letters of June 14, 1999 and January 14, 2000
Our Notice of Registration of March 15, 1999

Review of Toxicity Data In the above Notice of Registration, we requested submission of an acute oral and acute inhalation toxicity study. In your letter above, you submitted these data, which we have reviewed and found acceptable.

CSF Approval

1. CSF of August 12, 1999:

The Agency has determined that the Confidential Statement of Formula (CSF), **Alternate Formula**, dated August 12, 1999, which was submitted under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable. A copy of this CSF has been placed in our file for this product.

2. CSF of September 16, 1998:

In addition, you have a previously approved CSF, **Basic Formulation**, dated September 16, 1998, which is still acceptable.

3. Other Versions of CSFs:

All versions other than these two CSFs are obsolete.

Label Approval The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, is acceptable, provided that you submit one (1) copy of final printed labeling before you release the product for shipment. Make sure that you follow the minimum type size requirements in the attachment.

Failure to make changes This registration will be subject to cancellation in accordance with FIFRA sec. 6(e) if you do not comply with these conditions. Your release for shipment of the product bearing the amended labeling constitutes acceptance of these conditions.

Existing Stocks Existing Stocks of previously approved labels may be used for 18 months.

EPA Contact If you have questions about this letter, please contact me at 703-305-5407 (by phone), 703-305-6596 (by fax), or peacock.dan@epa.gov (by E-Mail).

Sincerely yours,

DBP

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

WARNING: May be fatal if inhaled or swallowed. Do not breathe dust. Wear a dust/mist filtering respirator (MSHA/NIOSH approval number prefix TC-21C), or a NIOSH approved respirator with any N, R, P, or HE filter. Causes moderate eye irritation. Do not get in eyes, on skin or on clothing. Wear protective goggles, face shield, or safety glasses. Wash thoroughly with soap and water after handling and before eating, drinking, or smoking. Remove contaminated clothing and wash before reuse.

First Aid Statements

Have label with you when obtaining treatment advice.

- IF SWALLOWED:** Call a Poison Control Center or doctor immediately for treatment advice. Have the person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor.
- IF INHALED:** Remove person to fresh air. If person is not breathing, call and ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. Call a Poison Control Center or doctor immediately for treatment advice.
- IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or doctor immediately for treatment advice.
- IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor immediately for treatment advice.

Environmental Hazards

This pesticide is extremely toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal

STORAGE: Store only in original container, in a dry place inaccessible to children and pets.

PESTICIDE DISPOSAL: Pesticide Wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinseate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Completely empty bag by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

A Piscicide for Formulating Registered, End-Use Fish Control Products Only.
