The statement referred to above, submitted in connection with registration of your product under section 101(12) of the Federal Insecticide, Fungicide, and Rodenticide Act, as amended (FIFRA), is accepted by the Agency subject to the following changes at the top printing of your label:

1. Change the statement "Contains no DDT" to the statement "Contains no DDT."

2. Change the statement "Do not use on food" after the following statement: "Do not use on food."

3. Since the product label does not have a box handling instructions, the label should state: "Contains larger than one quart may not be used in food handling establishments."

A statement of the cost of label has been enclosed for your records.

Sincerely,
