COMPOSITION

Active ingredient:

2-(thiocyanomethylthio) benzothiazole Minimum 80 percent

Inert ingredients Maximum 20 percent

APPLICATION

FOR FORMULATING USE ONLY

WARNING

KEEP OUT OF THE REACH OF CHILDREN

Harmful if swallowed. If swallowed, call a physician immediately. Give patient doses of powdered charcoal immediately or all he can swallow of raw egg whites, milk, gruel, or flour and water. Then induce vomiting with salt, soap, or mustard in warm water. May be harmful or fatal if absorbed through the skin. Workmen handling the product should wear rubber gloves and goggles and should avoid contact of the product with clothing or skin. After an exposure, wash promptly and thoroughly with an abrasive soap and cool water and finally with glycerin. In case of persistent irritation of the skin obtain medical attention. If the product gets into the eyes, it causes eye damage; therefore flood eyes immediately and thoroughly with cool water for 15 to 30 minutes. See a physician if any irritation persists. Keep the drum closed when not in use.

This product is toxic to fish. Keep out of any body of water. Do not contaminate water by cleaning of equipment and disposal of wastes.
