Buckman Laboratories, Inc.  
1256 North McLean Boulevard  
Memphis, TN 38108

Attention: Kevin D. Drake

Gentlemen:

Subject: Busan 25  
EPA Registration No. 1448-30  
Your Application Dated June 23, 1988

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, is acceptable provided that you revise the phrase under the Statement of Practical Treatment ". . . and then give 1 or 2 glasses of water or milk to drink" to read ". . . and then give 1 or 2 glasses of water to drink."

Submit five (5) copies your final printed labeling before you release the product for shipment.

A stamped copy of the labeling is enclosed for your records.

If you have any questions concerning this letter, please contact Martha DeLaney at (703) 557-6982.

Sincerely yours,

  
John H. Lee  
Product Manager (31)  
Antimicrobial Program Branch  
Registration Division (TS-767C)

EPA REG. NO. 1448-30

**KEEP OUT OF REACH OF CHILDREN  
DANGER**

### STATEMENT OF PRACTICAL TREATMENT

If product gets in eyes, flush with copious amounts of clean, cool water for 15 to 20 minutes. Get medical attention immediately. In case of skin contact, wash promptly and thoroughly with soap and cool water. In case of persistent irritation of the skin, obtain medical attention. If product is swallowed,

call a physician or Poison Control Center. DO NOT INDUCE VOMITING. Rinse mouth with copious amounts of water or milk, and then give 1 or 2 glasses of water or milk to drink. Avoid alcohol.

**NOTE TO PHYSICIAN:** Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression, and convulsion may be needed.

### PRECAUTIONARY STATEMENTS

#### HAZARDS TO HUMANS AND DOMESTIC ANIMALS

**DANGER:** Corrosive. Causes eye damage and skin irritation. Do not get in eyes, on skin, or on clothing. Wear goggles or face shield and rubber gloves when handling. Harmful or fatal if swallowed. Avoid breathing vapors.

**ENVIRONMENTAL HAZARDS:** This product is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or public waters unless this product is specifically identified and addressed in an NPDES permit. Do not discharge effluent containing this product to sewer systems without previously notifying the sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

**PHYSICAL AND CHEMICAL HAZARDS:** Do not use or store near heat or open flame

### DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Busan 25 is used to control slime in pulp and paper mills. Busan 25 is used at a rate of 1.5 to 15 ppm during the period of treatment, based on the amount of fiber and water at maximum dilution. The addition is usually made for a 24 hr. period. When conditions favor unusually rapid slime growth, the Busan 25 may be made once each 8 hr. or once each 12 hr. Under average conditions, the addition is made once each 24 hr. The addition should be made in a well stirred tank. Good mixing and agitation will ensure uniform distribution of Busan 25 in fiber and water. Information on these and other applications will be furnished upon request when a detailed description of the problem is provided.

ACCEPTED  
with COMMENTS  
in EPA Letter Dated:

NOV 25 1988

Under the Federal Insecticide,  
Fungicide, and Rodenticide Act as  
amended, for the pesticide  
registered under EPA Reg. No.

1448-30

### STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

**STORAGE:** Do not expose to extreme temperatures. Do not store in unventilated areas. Drums should be opened in well ventilated areas. Drums should be placed in overpack drums for disposal. Spills should be cleaned up and disposed of in a sanitary landfill.

**PESTICIDE DISPOSAL:** Pesticide wastes are acutely hazardous. Do not reuse or recycle. Do not mix or add to other pesticides. Do not add to municipal solid waste. Do not discharge to sewer systems. Do not discharge to surface waters. Do not discharge to ground. Do not discharge to air. Do not discharge to water bodies. Do not discharge to land. Do not discharge to air. Do not discharge to water bodies. Do not discharge to land. Do not discharge to air. Do not discharge to water bodies. Do not discharge to land.

**CONTAINER DISPOSAL:** Triple rinse (or equivalent). Then recycle if possible. Do not burn. Do not incinerate. Do not discharge to sewer systems. Do not discharge to surface waters. Do not discharge to ground. Do not discharge to air. Do not discharge to water bodies. Do not discharge to land.
