ENVIRONMENTAL HAZARDS

Do not discharge into lakes, streams, ponds, or public waters unless in accordance with NPDES permit. For guidance contact your Regional Office of the EPA, Apply this product only as specified on this label.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To preserve water-thinned coatings in their container, Busan 11-M3 should be mixed with other pigments in the pigment grind at concentrations of 1 to 3% based on total weight of the coating. To provide fungal resistance to paint films, Busan 11-M3 is added in the same way at concentrations of 5 to 20% based on total weight of the coating. The exact amount will be determined by the geographical location in which the coating will be exposed.

ACCEPTED with COMMENTS in EPA Letter Dated:

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal. STORAGE: Store on pallets off of floor or ground in a covered area. Prevent moisture from penetrating pags. Damaged bags should be placed in a larger container to prevent spread of dust. Product should be used immediately or disposed of as below.
