METAM CONCENTRATE

ACTIVE INGREDIENT(S)	
Sodium N-methyldithiocarbamate.....	42.5%
INERT INGREDIENTS.....	57.5%
TOTAL.....	100.0%

KEEP OUT OF REACH OF CHILDREN
DANGER

FIRST AID	
If in Eyes	- Hold eyes open and rinse slowly and gently with water for 15-20 minutes. - Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. - Call a poison control center or doctor for further treatment advice.
Skin, Clothes	- Take off contaminated clothing. - Rinse skin immediately with plenty of water for 15-20 minutes. - Call a poison control center or doctor for treatment advice.
If Swallowed	- Call poison control center or doctor immediately for treatment advice. - Have person sip a glass of water, if able to swallow. - Do not induce vomiting unless told to do so by the poison control center or doctor. - Do not give anything by mouth to an unconscious person.
If Inhaled	- Move person to fresh air. - If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth if possible. - Call a poison control center or doctor for further treatment advice.

HOT LINE NUMBER

Have the product container or label with you when calling a Poison Control Center or doctor or going for treatment. You may also contact 901-278-0330 or 1-800-BUCKMAN for emergency medical treatment information.

NOTE TO PHYSICIAN

able mucosal damage may contraindicate the use of gastric lavage.

Precautionary Statements
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: Corrosive. Causes irreversible eye and skin damage. Harmful or fatal if swallowed or absorbed through skin. Do not breath vapor or spray mist. Wear protective clothing, face shield or goggles, and chemical resistant gloves made of waterproff material. Wear a respirator with either an organic vapor removing cartridge with a pre-filter approved for pesticides (MSHA/NIOSH approval number prefix TC-23C), or a canister approved for pesticides (MSHA/NIOSH approval number prefix TC-14G). **RESPIRATOR REQUIREMENTS:** When a respirator is required for use with this product, the following criteria must be met: a. Cartridges or canisters must be replaced daily or when odor or irritation from this product becomes apparent, whichever is sooner. b. Respirators must be fit-tested and fit-checked using a program that conforms to OSHA requirements (described in 29 CFR 1910.134).

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the Environmental Protection Agency (EPA).

ACCEPTED
FEB 7 2005

Under the Federal Insecticide, Fungicide, and Rodenticide Act, I am labeling for the pesticide No. 1448-107

METAM CONCENTRATE

2/3

Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
FOR FORMULATING USE ONLY

For formulation into end-use products only for use as: Fumigant solutions for the control of weeds, fungi and nematodes in soil of ornamental food and fiber crops; fumigant solutions for control of decay and insects in wood and wood products; and antimicrobial agents. Labeling of products formulated for applications around homes and other structures which people inhabit or otherwise occupy must include appropriate wording for "restricted use pesticides" and will include small area applications such as non-field applications (including greenhouses) to seed beds, plant beds, lawns and other limited areas. This product is NOT to be used for formulation into end-use products to control roots and fungi in sewer systems.

METAM CONCENTRATE

3/3

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

PESTICIDE STORAGE: Do not expose to extreme temperatures. Do not stack more than 4 drums high. Leaking or damaged drums should be placed in overpack drums for disposal. Spills should be absorbed in sawdust or sand and disposed of in a sanitary landfill. Keep container closed when not in use.

PESTICIDE DISPOSAL: Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at your EPA Regional Office for guidance.

CONTAINER DISPOSAL: Triple rinse or equivalent. Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

LIMITED WARRANTY AND LIMITATION OF LIABILITY AND REMEDIES

Seller warrants that this product conforms to its chemical description and is reasonably fit for the purpose referred to in the directions for use when used in accordance with the directions under normal conditions. But assumes the risk of any use contrary to such directions or resulting from extreme weather conditions.

Seller makes no other warranty or representation of any kind, express or implied, concerning the product, including **NO IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS OF THE GOODS FOR ANY OTHER PARTICULAR PURPOSE.** No such warranties shall be implied by law and no agent of seller is authorized to alter this warranty in any way except in writing with a specific reference to this warranty.

The exclusive remedy against seller shall be a claim for damages not to exceed the purchase price of the product, without regard to whether such a claim is based upon breach of warranty or tort.
