NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

The Agency hereby certifies that you are in accordance with FIFRA section 6(d)(1)(A) provided that you:

1. Submit/cite all data needed for registration/reregistration of your product under FIFRA section 6(d)(5) when the Agency requires all registrants to submit particular data.

2. Affix the phrase "EPA Registration No. 1448-252" to your label before you release the product for shipment.

3. Submit any and all copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a copy of the Agency's final printed labeling.

4. If the conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(c). Your release of the product constitutes acceptance of these conditions.

It is recommended that you maintain copies of your records.
