McLean, VA 22101

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an endorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

1. The name of the pesticide is: First Aid and the name of the active ingredient is: 1,1,1-trichloro-2,2,2-trifluoroethane.

2. The name of the registrant is: McLure Laboratories, Inc. and the name of the person who is the registrant's authorized representative is: John A. McLure, who is the registrant's authorized representative for the purpose of this registration.

3. The labeling for this pesticide is listed below and is hereby accepted for registration:

a. The name of the pesticide is: "First Aid".

b. The name of the first aid statement is: "First Aid" and the first aid statement is hereby accepted for registration.

STATEMENT OF FIRST AID INSTRUCTIONS

1. First Aid - In case of contact with eyes, flush with water then flush with a large quantity of water. Do not induce vomiting. Avoid alcohol. Get medical attention.
