NOTICE OF PESTICIDE

REGISTERED
 REREGISTERED

Under the Federal Insecticide, Fungicide, and Rodenticide Act

NAME OF PESTICIDE

REGISTRATION NUMBER

NAME AND ADDRESS OF REGISTRANT

NOTE: Changes in labeling, formulation, or other information that a registrant reports to the Agency must be accepted by the Agency and published in the Federal Register. Any correspondence to the Agency always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Registered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted for registration with the Registration Review Act is returned herewith.

Registration is not a warranty, approval, or endorsement of the product by the Agency. In order to protect health and the environment, the Agency and its contractors may at any time suspend or annul the registration of a pesticide in accordance with the Act. The Agency explains any such suspension or annulment of the product under the Act and its contractors in writing. The registrant should be aware of the fact that a pesticide has been used by others.

For more information on the registration process, contact the Registration Review Act, Office of Pesticides Programs, EPA, Washington, DC 20460.

The Agency will accept for registration a pesticide if it meets the requirements of the Act and the regulations thereunder. The Agency will not accept for registration a pesticide if it does not meet the requirements of the Act and the regulations thereunder.

The Agency will accept for registration a pesticide if it meets the requirements of the Act and the regulations thereunder. The Agency will not accept for registration a pesticide if it does not meet the requirements of the Act and the regulations thereunder.

The Agency will accept for registration a pesticide if it meets the requirements of the Act and the regulations thereunder. The Agency will not accept for registration a pesticide if it does not meet the requirements of the Act and the regulations thereunder.

The Agency will accept for registration a pesticide if it meets the requirements of the Act and the regulations thereunder. The Agency will not accept for registration a pesticide if it does not meet the requirements of the Act and the regulations thereunder.

The Agency will accept for registration a pesticide if it meets the requirements of the Act and the regulations thereunder. The Agency will not accept for registration a pesticide if it does not meet the requirements of the Act and the regulations thereunder.

The Agency will accept for registration a pesticide if it meets the requirements of the Act and the regulations thereunder. The Agency will not accept for registration a pesticide if it does not meet the requirements of the Act and the regulations thereunder.

The Agency will accept for registration a pesticide if it meets the requirements of the Act and the regulations thereunder. The Agency will not accept for registration a pesticide if it does not meet the requirements of the Act and the regulations thereunder.

The Agency will accept for registration a pesticide if it meets the requirements of the Act and the regulations thereunder. The Agency will not accept for registration a pesticide if it does not meet the requirements of the Act and the regulations thereunder.
