NAME OF PESTICIDE PRODUCT

NAME AND ADDRESS OF REGISTRANT (include ZIP code)

NOTE: Changes in labeling, formula, labeling, or packaging that are accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an endorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his own motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

The registrant is required to submit to the Administrator, on request, all data which the Agency requires for the registration of similar products. The registrant is required to submit such data:

1. Make the following changes listed below before you release the product for shipment:

1. Add to the label: "EPA Registration No. 144-309."
2. Review "EPA Label" and the label and statements thereon as follows:

STATEMENT OF THE REGISTRANT

I, the undersigned, hereby certify that the copy of the label for the above named pesticide is a true and correct copy of the label for the above named pesticide as it appears on the label of the product.
