Hilo Products, Inc.
2273 Radford Street NW.
P.O. Box 2945
North Canton, OH 44720

Attention: William E. Donze

Gentlemen:

Subject: Hilo Dip
EPA Registration No. 1452-3
Your Application Dated July 27, 1987

The proposed amendment to the registration of the product cited above to make general labeling revisions is acceptable subject to the comments listed below.

1. Delete the phrase "A Botanical Insecticide."
2. The statement "It is a violation of Federal law to use this product in a manner inconsistent with its labeling" must appear on the label after the "Directions for Use" heading.
3. A Statement of Practical Treatment must appear on the label as follows:

Statement of Practical Treatment

For Eyes: If in eyes, flush with plenty of water.
Get medical attention if irritation persists.

For Skin: If on skin, flush with plenty of water.
Get medical attention if irritation persists.

KILLS FLEAS AND LICE IN MINUTES

DIRECTIONS: To kill Fleas and Lice, pour one tablespoon of HILO[®] DIP Concentrated Rinse into a gallon of water. To kill Ticks, make solution 4 times as strong. Saturate dog's coat thoroughly for several minutes and dry without rinsing. Repeat when necessary. To kill Lice on long-haired dogs, bathe first with soap and water. Rinse out soap. Then use HILO[®] DIP Concentrated Rinse solution as a final rinse. **NOT FOR USE ON CATS**

WARNING: Concentrate causes skin and eye irritation. Harmful if swallowed or absorbed through the skin. Do not get in eyes, on skin or on clothing. In case of contact, flush skin or eyes with plenty of water and get medical attention if irritation persists. Do not reuse container. Destroy when empty.

STORAGE AND DISPOSAL:
Do not reuse empty container. Wrap container and put in trash.

ACTIVE INGREDIENTS: Rotenone 1.0%, other Cube resins 0.9%, Pine Oil 72.1%, Triethanolamine Oleate 9.0%, Sulfonated Castor Oil 5.0%. **INERT INGREDIENTS:** 12%.
