NOTICE OF PESTICIDE: REGISTRATION
 REREГИSTRATION
*(Under the Federal Insecticide, Fungicide
 and Rodenticide Act, as amended)*

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

[Faint text and handwritten notes: 160/22/058, 18, 2]

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an endorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

1. [Faint text]
2. [Faint text]
3. [Faint text]
4. Add the phrase: "EPA registration No. 1452-20."
5. Add a statement to the label regarding the use of protective clothing (added) when using this product since directions state: "EPA registration No. 1452-20, spray so the spray will penetrate to soil."
6. Add the following statement: "Do not use tabs on any other parts of the body, old, or debilitated pets."
7. Delete professional formula. Vague or non-specific terms implying instated benefits related to higher concentrations or greater percentage of active ingredients are not acceptable.

6. Data already on file for this formulation and use pattern will only support 9 days kill for fleas on cats. Therefore, you must revise the statement for fleas on cats to read:

This product will kill fleas and ticks up to 9 days on cats.

3. According to the storage stability data referenced, the subject product is unstable and will not meet the label claim after 1 year if packed in plastic containers. The proposed product is, according to the application form, to be packed in plastic containers. Either the container type must be changed or the product must be overformulated to compensate for the degradation which takes place. If the latter option is chosen, storage stability data must be submitted for the new formulation.

4. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIPKA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION

Harmful if swallowed. Avoid breathing vapors. Do not spray in eyes, face or on genitalia. Do not use on nursing puppies or kittens. Do not use on puppies or kittens under 3 months of age.

PHYSICAL & CHEMICAL HAZARDS

Do not use or store near heat or open flame.

4

IF SWALLOWED: Drink one or two glasses of water and induce vomiting by touching the back of the throat with finger. Repeat until vomit fluid is clear. Call a physician immediately. Do not induce vomiting or give anything by mouth to an unconscious person.

IF INHALED: Remove victim to fresh air. Apply artificial respiration if indicated.

IF ON SKIN: Remove contaminated clothing and wash affected areas with soap and water.

IF IN EYES: Flush eyes with plenty of water. Call a physician if irritation persists.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labelling.

HOLD CONTAINER UPRIGHT. SHAKE WELL BEFORE USING.

This product will kill fleas up to 14 days and ticks up to 4 days on dogs.

This product will kill fleas up to 14 days and ticks up to 9 days on cats.

Spray the animal from a distance of 8-12 inches. Start spraying at the tail, moving the dispenser rapidly and making sure the animal's entire body is covered, including the legs and under the body. Fluff the hair as you spray so the spray will penetrate to the skin. The spray should wet the ticks thoroughly. Do not spray in face, eyes or on genitalia. Repeat as needed.

For cats, apply at the rate of 1 second per pound of body weight. For dogs, apply at the rate of 2 seconds per pound of body weight for thin or short-haired dogs and up to 8 seconds per pound of body weight for heavy or long-haired dogs.

STORAGE AND DISPOSAL

Storage: Store in a cool area away from heat and open flame.

Disposal: Do not reuse empty container. Wrap original container in several layers of newspaper and discard in trash.
