BULLEN CHEMICAL CO.
FOLCROFT, PA 19032

AN EFFECTIVE DISINFECTANT FOR FLOORS,
WALLS, TOILETS, GARBAGE AND TRASH CANS,
ETC. IN SCHOOLS, HOSPITALS, HOTELS, MOTELS,
THEATERS, OFFICE BUILDINGS, INDUSTRY, ETC.

DIRECTIONS

FOR FLOORS AND FOR GENERAL USE: Mix
with 50 parts of water. Mop on or spray so
that all areas are reached. NOTE: 1 pint
in a 25 quart bucket is a 50 to 1 dilution.

TOILETS AND URINALS: Mix half cup disin-
fectant per gallon water. Wash seat, fixture
and surrounding hard surface areas. Utilize
any left over solution by pouring into toilet
or urinal to deodorize drains and traps.

CAUTION
