USE, POUR, SPILL OR STORE NEAR
HEAT OR OPEN FLAME.** Store at tem-
peratures above 32° F.

ACCEPTED

1/10/1975

UNDER THE PROVISIONS OF THE
FUNGICIDE ACT, 1958, THIS
PRODUCT IS REGISTERED FOR
USE IN THE UNITED STATES
AND IS APPROVED FOR SALE
IN THE UNITED STATES

VEGETATION KILLER

WARRANTY DISCLAIMER:

Since weather and other conditions under
which this product may be used will vary,
the Seller makes no warranty of any kind,
express or implied, concerning the use of
this product. The user assumes all risks of
use or handling not in accordance with
directions or suggestions

PRECAUTIONS

Care must be taken to keep this herbicide
away from desirable flower beds, lawns
and shrubs. Do not apply over roots of
valuable trees or woody ornamental plants.
Only apply herbicide outside the dripline
of trees. Avoid spray drift to desirable
plants.

Do not reuse empty container. Return to
drum reconditioner or destroy by per-
forating or crushing and burying in a safe
place away from water supplies.

Manufactured By

BULLEN CHEMICAL CO., FOLCROFT, PA. 19032

ACTIVE INGREDIENTS

Prometon: 2,4-bis (isopropylamino)- 6-methoxy-s-triazine	1.5%
Petroleum distillate	94.0%

INERT INGREDIENTS

Total	4.5%
	100.00%

NET: 5 U.S. GALLONS

1459 PA 1

DIRECTIONS FOR USE:

Use 2½ to 3 gallons undiluted weed-killer
per 1000 sq. ft. of soil surface (100-200
gal. per acre). Spray uniformly and
thoroughly wet all foliage to insure
contact action. Best results are obtained
if used when weeds are just beginning to
sprout and are growing rapidly.

Where vegetation is tall and dense, use
5 gals. per 1000 sq. ft. (200 gal. per
acre). For control of hard-to-kill perennial
weeds and grasses such as Johnson
grass, bindweed and wild carrot, use 8
to 12 gals. per 1000 sq. ft.

Although it has considerable activity
through foliage contact, much of this
weed killers activity is through the roots
and, therefore, adequate rainfall or
watering is necessary.

Under conditions where the rainfall is
high and the growing season long, a
second application may be necessary to
maintain a weed-free soil surface.

CAUTION: Keep Out Of Reach Of Children.
