A READY-TO-USE NON-SELECTIVE VEGETATION KILLER FOR BARE GROUND WEED CONTROL AROUND FENCES, GUARD RAILS, HIGHWAY MEDIANS, PIPELINES, FIRE HYDRANTS, PUMPS, RAILROAD TRACKS, STORAGE AREAS, FUEL TANKS AND MACHINERY.

IMPORTANT: READ ENTIRE DIRECTIONS FOR USE AND CONDITIONS OF SALE AND WARRANTY DISCLAIMER BEFORE USING THIS PRODUCT.

WARRANTY DISCLAIMER: Since weather and other conditions under which this product may be used will vary, the Seller makes no warranty of any kind, express or implied, concerning the use of this product. The user assumes all risks of use or handling not in accordance with directions or suggestions.

PRECAUTIONS: Care must be taken to keep this herbicide away from desirable flower beds, lawns and shrubs. Do not apply over roots of valuable trees, or woody ornamental plants. Only apply herbicide outside the dripline of trees. Avoid spray drift to desirable plants.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited. Do not reuse empty container. Keep this product under locked storage sufficient to make it inaccessible to children or persons unfamiliar with its proper use.

PESTICIDE DISPOSAL: Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

CAUTION: Keep Out of Reach of Children. Harmful if swallowed. Avoid contact with eyes and skin. If swallowed do not induce vomiting. Call a physician immediately. In case of skin contact wash with soap and water. Avoid inhalation of spray mist... Avoid contamination of food and feed. Do not contaminate water used for irrigation or domestic purposes... Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on label... Do not reuse container. Destroy when empty. **DO NOT USE, POUR, SPILL OR STORE NEAR HEAT OR OPEN FLAME.** Store at temperatures above 32° F.

DIRECTIONS FOR USE:

Use 2½ to 3 gallons undiluted weed-killer per 1000 sq. ft. of soil surface (100—200 gal. per acre). Spray uniformly and thoroughly wet all foliage to insure contact action. Best results are obtained if used when weeds are just beginning to sprout and are growing rapidly.

Where vegetation is tall and dense, use 5 gals. per 1000 sq. ft. (200 gal. per acre). For control of hard-to-kill perennial weeds and grasses such as Johnson grass, bindweed and wild carrot, use 8 to 12 gals. per 1000 sq. ft.

Although it has considerable activity through foliage contact, much of this weed killer activity is through the roots and, therefore, adequate rainfall or watering is necessary.

Under conditions where the rainfall is high and the growing season long, a second application may be necessary to maintain a weed-free soil surface.
