MOTH CAKES

KILLS MOTHS
EGGS and LARVAE

Contents 1 doz. 4 oz. cakes

DIRECTIONS

Place among articles to be protected. The cake evaporates slowly giving off a gas which kills moth eggs and larvae.

When clothes are aired the odor disappears in a short time.

Use one cake to 2 cubic feet of confined space needing moth protection.

ACTIVE INGREDIENTS
 Paradichlorobenzene100%
INACTIVE INGREDIENTS 0%
