EPA Reg. No. 1471-72

Elanco Products Company • A Division of Eli Lilly and Company  
Indianapolis, IN 46285, U.S.A.

EPA Est. 1471-IN-2

WARNING: Causes substantial but temporary eye injury. Causes skin irritation. Harmful if swallowed, inhaled, or absorbed through the skin. TREFLAN E.C. may cause skin sensitization reactions in certain individuals. Do not get in eyes, on skin, or on clothing. Avoid breathing spray mist. Wear goggles, face shield or safety glasses, and protective clothing, such as, coveralls, a long-sleeved shirt, and impermeable gloves when handling this product. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse. This material will cause intense staining.

STATEMENTS OF PRACTICAL TREATMENT:

If in eyes: Hold eyelids open and flush with a steady, gentle stream of water for 15 minutes. See an ophthalmologist immediately.

If swallowed: Call a physician or Poison Control Center. This product contains an aromatic hydrocarbon and can be extremely harmful if swallowed. If this happens and the patient is conscious, immediately administer activated charcoal (six to eight heaping teaspoonfuls) with water and get medical attention.

If on skin: Immediately wash with plenty of soap and water. Get medical attention if irritation develops.

If inhaled: Remove individual to fresh air. If breathing difficulty occurs, get medical attention. If not breathing, provide cardiopulmonary resuscitation assistance (mouth to mouth) and call a physician.

ENVIRONMENTAL HAZARDS:

This product is toxic to fish.

Do not discharge effluent containing this product directly into lakes, streams, ponds, estuaries, oceans, or public waters unless this product is specifically identified and addressed in an NPDES permit. Do not discharge effluent containing this product into sewer systems without previously notifying the sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the Environmental Protection Agency.
