ID 5820

Treflan®

Milled Concentrate

Net Weight **50 Pounds**
(22.68 kg)

trifluralin (----- Active Ingredient: α, α, α -trifluoro-2,6-dinitro-*N,N*-dipropyl-*p*-toluidine.)----- 20%
 TREFLAN® ----- Inert Ingredients ----- 80%
 (trifluralin, Elanco)

Precautionary Statements

Hazards to Humans and Domestic Animals
 Keep Out of Reach of Children.

CAUTION

Harmful if swallowed. Use respirator. Avoid contact with eyes, skin, and clothing. Wash thoroughly with soap and water after handling.

Environmental Hazards

Do not discharge into lakes, streams, ponds or public water unless in accordance with an NPDES permit. Contact your regional EPA office for guidance. Do not contaminate water by cleaning of equipment or disposal of waste. This pesticide is toxic to fish.

STORAGE AND DISPOSAL

Storage: Store in a cool dry place. Store in original container only. In case of leak or spill, contain material and dispose as waste.

Pesticide Disposal: Do not contaminate water, food, or feed by storage or disposal. Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal: Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into manufacturing equipment. Then dispose of liner in a sanitary landfill or by incineration if allowed by state and local authorities. If drum is contaminated and cannot be reused, dispose of in the same manner.

~~For Manufacturing Use Only—For reformulation of herbicides only. It is a violation of Federal law to use this product in a manner inconsistent with its labeling.~~

~~This material may only be used for the formulation of herbicidal products labeled for use on ornamental plants, established turfgrasses, or home vegetable gardens. Active ingredient concentration cannot exceed 5 percent trifluralin by weight in granular or fertilizer based products for dry application.~~

INSERT 1

Causes eye irritation. Harmful if swallowed, inhaled, or absorbed through the skin. Avoid breathing dust and contact with eyes, skin, or clothing. Use eye protection and protective clothing such as coveralls, a long-sleeved shirt, and impermeable gloves when handling this product. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

First Aid

If in eyes: Flush eyes with plenty of water. Call a physician if irritation develops.

If swallowed: Call a physician or Poison Control Center. Drink one or two glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person.

If on skin: Wash with plenty of soap and water. Get medical attention if irritation develops.

If inhaled: Remove individual to fresh air. If breathing difficulty occurs, get medical attention. If not breathing, provide cardiopulmonary resuscitation assistance (mouth to mouth) and call a physician.

ENVIRONMENTAL HAZARDS:

This product is toxic to fish. Do not discharge effluent containing this product directly into lakes, streams, ponds, estuaries, oceans or public waters unless this product is specifically identified and addressed in an NPDES permit. Do not discharge effluent containing this product into sewer systems without previously notifying the sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of The Environmental Protection Agency.
