U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (7504P)
1200 Pennsylvania Ave., N.W.
Washington, D.C. 20460

EPA Reg. #
1475-1

Date of Issuance:

JUN 18 2014

NOTICE OF PESTICIDE:

Registration
 Reregistration
(under FIFRA, as amended)

Terms of Issuance:
Unconditional

Name of Pesticide Product:
ENOZ Moth Ice Crystals

Kathie Tryson
Willert Home Products
4044 Park Avenue
St. Louis, MO 63110

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

EPA grants this reregistration under the authority of section 3(c)(5) of the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA). With this accepted labeling, all requirements set forth in the Reregistration Eligibility Decision for **Paradichlorobenzene** have been satisfied. Therefore, EPA reregisters the product listed above. This action is taken under the authority of section 4(g)(2)(c) of FIFRA, as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.

Confidential Statement of Formula

The acceptable Confidential Statement of Formula (CSF) on record for this product is:

1 Basic CSF - dated 03/13/14
Alternate CSF #1 - dated 03/13/14

Any previously dated CSFs are superseded.

Existing Stocks Provisions

Stocks of product with existing labels may be used for 12 months. A copy of your label stamped "Accepted" is enclosed for your records. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions. If you have any questions regarding this label, please contact Gene Benbow at (703) 347-0235 or via email at benbow.gene@epa.gov.

See back panel for additional precautionary statements.

Net Weight: 14 oz. (396g)
1 lb. (453g)
2 lb. 12 oz. (1.2 kg)

5/10

BACK PANEL:

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

IMPORTANT: Keep out of reach of children. Do not place in areas accessible to children. Use Restrictions: This product can treat up to 43.75 cubic feet (14 oz. size), (50 cubic feet for 1 lb. size), (137.5 cu. ft. for 44 oz. size). Kills clothes moths and carpet beetles and their eggs and larvae in clean, airtight containers, such as chests, trunks, and garment bags. Do not use dry cleaning bags, garbage bags or other containers that allow vapors to escape into occupied rooms. This product can damage some plastics, use only in polyethylene or polypropylene containers. Do not mix p-dichlorobenzene or use it together with other moth preventive chemicals.

Pre-Application Directions: For all fabric types: Dry clean, wash or brush articles to be protected prior to storage.

Application Directions: Remove lid and tear off inner seal. For **CLOTHING, BLANKETS, DRAPERIES, FURS, ETC.**, use 1 oz. of Enoz[®] Moth Ice[®] Crystals per 3.1 cubic feet of confined space. One loosely packed 8 fl. oz. measuring cup full of Enoz[®] Moth Ice[®] Crystals can treat about 20 cubic feet of space. Thoroughly wash measuring cup with soap and water after use. Sprinkle crystals freely on the bottom of the storage container or garment bag, between folds and layers of articles to be treated and an extra amount on top before closing container. **RUGS AND CARPETS** are effectively protected from moths and carpet beetles by freely sprinkling Enoz[®] Moth Ice[®] Crystals on the surface of the rug. Roll the rug or carpet and wrap in a polyethylene or polypropylene sheet. The seams of the plastic sheet should be taped to form an airtight container.

Post-Application Directions: Keep all treated articles in an airtight space or securely covered with the plastic sheet for a minimum of 7 days. Odor will quickly vanish when articles are aired. **Re-treatment:** Since moths are active all year, replenish airtight storage containers 2 times a year or when product has dissipated.

STORAGE AND DISPOSAL

Pesticide Storage: Store in the original container, in a dry place inaccessible to children and pets. **Pesticide Disposal and Container Handling:** Nonrefillable container. Do not reuse or refill this container. **If empty:** Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS**Hazards to Humans and Domestic Animals**

WARNING. Causes substantial but temporary eye injury. Wear protective eyewear. Harmful if swallowed. Harmful if inhaled. Do not get in eyes or on clothing. Avoid contact with skin. Avoid breathing dust. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

NOTICE: This product contains a chemical known to the State of California to cause cancer.

FIRST AID	
If in eyes	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.
If swallowed	<ul style="list-style-type: none"> • Call poison control center or doctor immediately for treatment advice. • Have person drink several glasses of water. • Do not induce vomiting. • Do not give anything by mouth to an unconscious person.
If on skin or clothing	<ul style="list-style-type: none"> • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice.
If inhaled	<ul style="list-style-type: none"> • Move person to fresh air. • If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. • Call a poison control center or doctor for treatment advice.
HOT LINE NUMBER	
Have the container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact the National Pesticide Information Center (NPIC) at 1-800-858-7378 for emergency medical treatment information.	
NOTE TO PHYSICIAN	
Probable mucosal damage may contraindicate the use of gastric lavage.	

PHYSICAL OR CHEMICAL HAZARDS: Combustible. Do not use or store near heat or open flame.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal.

Pesticide Storage: Do not use or store near heat or open flame. Do not exceed temperatures of 100° F (38° C). Avoid breathing dust or vapors. Use and store with adequate ventilation. Sweep up spilled material and place in original container for use or disposal.

Pesticide Disposal:

Pesticide wastes are toxic. Improper disposal of pesticide wastes is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Container Disposal: Nonrefillable container. Do not reuse or refill this container.

Paper and Plastic Bag Disposal (55 lb. size): Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration if allowed by State and local authorities, or offer for recycling if available.

Fiber Drum Disposal (300 lb. size): Completely empty drum. Empty residue into applications equipment. Then dispose of drum in a sanitary landfill or by incineration if allowed by State and local authorities, or offer for recycling if available.

PRECAUTIONARY STATEMENTS**Hazards to Humans and Domestic Animals**
